Massachusetts' health care reform law requires most residents, 18 years of age and older, to have health coverage that meets the minimum creditable coverage (MCC) standards set by the Commonwealth Health Insurance Connector.

Your Blue Cross Blue Shield of Massachusetts health plan meets these minimum creditable coverage standards. The 2020 Form MA 1099-HC on the reverse of this page identifies which months out of the year you had this health coverage through Blue Cross Blue Shield of Massachusetts. If you were covered through Blue Cross Blue Shield of Massachusetts for all 12 months of the tax year, the Full-Year Coverage box is checked off.

If you were covered through Blue Cross Blue Shield of Massachusetts for less than 12 months, only those months that you or a dependent on your policy had 15 or more days of health coverage in a given month will have a check in the appropriate month's box.

Please refer to the 2020 Massachusetts Department of Revenue Filing instructions or visit www.mass.gov/dor for specific instructions on how to transfer this information to your MA Schedule HC for your 2020 tax filing.

Note: Any of your dependents who will be filing a separate 2020 state tax return will need this information to complete their filing. The 2020 Form MA 1099-HC on the back of this notice may be photocopied. You do not need to contact Blue Cross Blue Shield of Massachusetts to request additional forms.
