#### Taxpayer Declaration and Signature Authorization (Be sure you get and keep a copy of your return) Part II

Under penalties of periury. I declare that I have examined a copy of the income tax return (original or amended) I am now authorizing, and to the best of my knowledge and belief, it is true, correct, and complete. I further declare that the amounts in Part I above are the amounts from the income tax return (original or amended) I am now authorizing. I consent to allow my intermediate service provider, transmitter, or electronic return originator (ERO) to send my return to the IRS and to receive from the IRS (a) an acknowledgement of receipt or reason for rejection of the transmission, (b) the reason for any delay in processing the return or refund, and (c) the date of any refund. If applicable, I authorize the U.S. Treasury and its designated Financial Agent to initiate an ACH electronic funds withdrawal (direct debit) entry to the financial institution account indicated in the tax preparation software for payment of my federal taxes owed on this return and/or a payment of estimated tax, and the financial institution to debit the entry to this account. This authorization is to remain in full force and effect until I notify the U.S. Treasury Financial Agent to terminate the authorization. To revoke (cancel) a payment, I must contact the U.S. Treasury Financial Agent at 1-888-353-4537. Payment cancellation requests must be received no later than 2 business days prior to the payment (settlement) date. I also authorize the financial institutions involved in the processing of the electronic payment of taxes to receive confidential information necessary to answer inquiries and resolve issues related to the payment. I further acknowledge that the personal identification number (PIN) below is my signature for the income tax return (original or amended) I am now authorizing and, if applicable, my Electronic Funds Withdrawal Consent.

Before you check Box A, B, or C below, see whether you received any Form(s) 1099-B or substitute statement(s) from your broker. A substitute statement will have the same information as Form 1099-B. Either will show whether your basis (usually your cost) was reported to the IRS by your broker and may even tell you which box to check.

Part I Short-Term. Transactions involving capital assets you held 1 year or less are generally short-term (see instructions). For long-term transactions, see page 2.

**Note:** You may aggregate all short-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS and for which no adjustments or codes are required. Enter the totals directly on Schedule D, line 1a; you aren't required to report these transactions on Form 8949 (see instructions).

You *must* check Box A, B, or C below. Check only one box. If more than one box applies for your short-term transactions, complete a separate Form 8949, page 1, for each applicable box. If you have more short-term transactions than will fit on this page for one or more of the boxes, complete as many forms with the same box checked as you need.

X (A) Short-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS (see Note above)

(B) Short-term transactions reported on Form(s) 1099-B showing basis wasn't reported to the IRS

C) Short-term transactions not reported to you on Form 1099-B
