Dear Donor:

According to our records, your total Tax-deductible Donation for the calendar year **2020** was:

\$51.00

The amount may be different from the sum of your checks made out to **SSVT**. This difference is usually because, in accordance with **IRS** regulations, Tax-deductible Donations exclude: (a) *the value of benefits* ascribed to any portion of your contribution, (e.g.) the **non-deductibility** for value received for purchase of food, audio/video cassettes and for cultural events is 100%, annual dinner is \$35.00 and silver or gold coin is 50%.

The donation amount also does NOT include any contribution of cash, property, out-of-pocket expenses for voluntary work done or other donations of kind.

If the above explanation does not bridge the difference if any, between your records and the SSVT records, or if you have any questions, please call (301) 552-3335 or send an email to treasurer@ssvt.org.

The SSVT is grateful to you and your family for your generosity and continuing support.

Very Truly
