**WARNING:** If a moving company loses or damages your goods, there are two different standards for the company's liability based on the types of rates you pay. **BY FEDERAL LAW, THIS FORM MUST CONTAIN A FILLED-IN ESTIMATE OF THE COST OF A MOVE FOR WHICH THE MOVING COMPANY IS LIABLE FOR THE FULL (REPLACEMENT) VALUE OF YOUR GOODS** in the event of loss of, or damage to, the goods. This form may also contain an estimate of the cost of a move in which the moving company is liable for **FAR LESS** than the replacement value of your goods, typically at a lower cost to you. You will select the liability level later, on the bill of lading (contract) for your move. Before selecting a liability level, please read "Your Rights and Responsibilities When You Move," provided by the moving company, and seek further information at the government website "[www.protectyourmove.gov](http://www.protectyourmove.gov)."

ADDENDUM TO BILL OF LADING
CUSTOMER'S DECLARATION OF VALUE

Registration No:

THE CONSUMER MUST SELECT ONE OF THESE OPTIONS FOR THE CARRIER'S LIABILITY FOR LOSS OR DAMAGE TO YOUR HOUSEHOLD GOODS. THIS IS A STATEMENT OF THE LEVEL OF CARRIER LIABILITY--IT IS NOT INSURANCE.

Option 1 - Standard Full Value Protection

The Cost Estimate that you receive from your mover MUST INCLUDE Full (Replacement) Value Protection\* for the articles that are included in your shipment. If you wish to waive the Full (Replacement) Value level of protection, you must complete the WAIVER of Full (Replacement) Value Protection shown below.

Full (Replacement) Value Protection\* is the most comprehensive plan available for protection of your goods. If any article is lost, destroyed or damaged while in your mover's custody, your mover will, at its option, either: 1) repair the article to the extent necessary to restore it to the same condition as when it was received by your mover, or pay you for the cost of such repairs; or 2) replace the article with an article of like kind and quality, or pay you for the cost of such a replacement. Under Full (Replacement) Value Protection, if you do not declare a higher replacement value on this form prior to the time of shipment, the value of your goods will be deemed to be equal to \$6.00 multiplied by the weight (in pounds) of the shipment, subject to a minimum valuation amount of \$6,000. Under this option the cost of your move will be composed of a base rate plus an added cost reflecting the cost of providing this full value cargo liability protection for your shipment.

If you wish to declare a higher value for your shipment than these default amounts, you must indicate that value here. Declaring a higher value may increase the valuation charge in your cost estimate.

The Total Value of my shipment is: \$ 50,000 (to be provided by the customer)
Dollar Estimate of the cost of your move at Full (Replacement) Value Protection: \$ 4748.33 (to be provided by carrier)

Deductibles: You may also select one of the following deductible amounts under the Full (Replacement) Value level of liability that will apply for your shipment. (If you do not make a selection, the "No deductible" level of full value protection that is included in your cost estimate will apply):

\$250 Deductible OR \$500 Deductible
Dollar Estimate of the cost of your move with \$ 0.00 Deductible: \$ 4748.33 (to be provided by carrier)

I acknowledge that for my shipment I have: 1) ACCEPTED the Full (Replacement) Level of protection included in the estimate of charges and declared a higher Total Value of my shipment (if appropriate); and 2) received a copy of the "Your Rights and Responsibilities When You Move" brochure explaining these provisions.

Handwritten signature: K.V. Ramana, Date: 02/11/2020

Declaration of Article(s) of Extraordinary (Unusual) Value: I acknowledge that I have prepared and retained a copy of the "Inventory of Items Valued in Excess of \$100 Per Pound per Article" that are included in my shipment and that I have given a copy of this Inventory to the mover's representative. I also acknowledge that the mover's liability for loss of or damage to any article valued in excess of \$100 per pound will be limited to \$100 per pound for each pound of such lost or damaged article(s) (based on actual article weight), not to exceed the declared value of the entire shipment, unless I have specifically identified such articles for which a claim for loss or damage may be made on the attached inventory.

Handwritten signature: K.V. Ramana, Date: 02/11/2020

\* Referred to by North American Van Lines as "Maximum Value Protection."

Option 2 - Waiver of Full (Replacement) Value Protection

This lower level of protection is provided at no additional cost beyond the base rate; however it provides only minimal protection that is considerably less than the average value of household goods. Under this option, a claim for any article that may be lost, destroyed or damaged while in your mover's custody will be settled based on the weight of the individual article multiplied by 60 cents. For example, the settlement for an audio component valued at \$1,000 that weighs 10 pounds would be \$6.00 (10 pounds times 60 cents).

Dollar Estimate of the cost of your move under the 60-cents option: \$ 4287.33 (to be provided by carrier).

COMPLETE THIS PART ONLY if you wish to WAIVE the Full (Replacement) Level of Protection included in the higher cost estimate provided above for your shipment and instead select the LOWER Released Value of 60-cents-per-pound per Article; to do so you must initial and sign on the lines below-

I wish to Release My Shipment to a Maximum Value of 60-cents-per-pound per Article

I acknowledge that for my shipment I have: 1) WAIVED the Full (Replacement) Level of protection, for which I have received an estimate of charges, and 2) received a copy of the "Your Rights and Responsibilities When You Move" brochure explaining these provisions.
