IMPORTANT DISCLOSURES

If you are owed a federal tax refund, you have a right to choose how you will receive the refund. There are several options available to you. Some options cost money and some options are free. Please read about these options below.

You can file your federal tax return electronically or by paper and obtain your federal tax refund <u>directly</u> from the Internal Revenue Service ("IRS") <u>for free.</u> If you file your tax return electronically, you can receive a refund check directly from the IRS through the U.S. Postal Service in 21 to 28 days from the time you file your tax return or the IRS can deposit your refund directly into your bank account in less than 21 days from the time you file your tax return unless there are delays by the IRS. If you file a paper return through the U.S. Postal Service, you can receive a refund check directly from the IRS through the U.S. Postal Service, you can receive a refund check directly from the IRS through the U.S. Postal Service in 6 to 8 weeks from the time the IRS receives your return or the IRS can deposit your refund directly into your bank account in 6 to 8 weeks from the time the IRS receives your return. However, if your return contains Earned Income Tax Credit or Additional Child Tax Credit, the IRS will issue your refund no earlier than February 15, 2020.

You can file your tax return electronically, select the Refund Processing Service ("RPS") for an additional fee of \$40.00 (the "RPS fee"), and have your federal income tax refund processed through a processor using banking services of a financial institution. The RPS allows your refund to be deposited into a bank account intended for one-time use at Green Dot Bank ("Bank") and deducts your TurboTax fees and other fees you authorize from your refund. The balance is delivered to you via the disbursement method you select. If you file your tax return electronically and select the RPS, the IRS will deposit your refund with Bank. Upon Bank's receipt of your refund, Santa Barbara Tax Products Group, LLC, a processor, will deduct and pay from your refund the RPS fee, any fees charged by TurboTax for the preparation and filing of your tax return and any other amounts authorized by you and disburse the balance of your refund proceeds to you. Unless there are delays by the IRS, refunds are received in less than 21 days from the time you file your tax return electronically. However, if your return contains Earned Income Tax Credit or Additional Child Tax Credit, the IRS will issue your refund no earlier than February 15, 2020.

The RPS is not necessary to obtain your refund. If you have an existing bank account, you do not need to use the RPS, which requires the payment of a fee, in order to receive a direct deposit from the IRS. You may consult the IRS website (IRS.gov) for information about tax refund processing.

If you select the RPS, no prior debt you may owe to Bank will be deducted from your refund.

You can change your income tax withholdings which might result in you receiving additional funds throughout the year rather than waiting to receive these funds potentially in an income tax refund next year. Please consult your employer or tax advisor for additional details.

This Agreement requires all disputes to be resolved by way of binding arbitration. The terms of the arbitration provision appear in Section 11.

Information regarding low-cost deposit accounts may be available at www.mymoney.gov .

The chart below shows the options for filing your tax return (e-file or paper return), the RPS product, refund disbursement options, estimated timing for obtaining your tax refund proceeds, and costs associated with the various options.

ELECTRONIC POSTMARK - CERTIFICATION OF ELECTRONIC FILING

Taxpayer:Venkata Vinay Tej PalepuPrimary SSN:129-39-5553

Federal Return Submitted:	April 25, 2020	07:35 AM PDT
Federal Return Acceptance Date:	04/25/2020	

The Intuit Electronic Postmark shows the date and time Intuit received your federal tax return. The Intuit Electronic Postmark documents the filing date of your income tax return, and the electronic postmark information should be kept on file with your tax return and other tax-related documentation.

There are two important aspects of the Intuit Electronic Postmark:

1. THE INTUIT ELECTRONIC POSTMARK.

The electronic postmark shows the date and time Intuit received the federal return, and is deemed the filing date if the date of the electronic postmark is on or before the date prescribed for filing of the federal individual income tax return.

TIMELY FILING:

For your federal return to be considered filed on time, your return must be postmarked on or before midnight July 15, 2020. Intuit's electronic postmark is issued in the Pacific Time (PT) zone. If you are not filing in the PT zone, you will need to add or subtract hours from the Intuit Electronic Postmark time to determine your local postmark time. For example, if you are filing in the Eastern Time (ET) zone and you electronically file your return at 9 AM on July 15, 2020, your Intuit electronic postmark will indicate July 15, 2020, 6 AM. If your federal tax return is rejected, the IRS still considers it filed on time if the electronic postmark is on or before July 15, 2020, and a corrected return is submitted and accepted before July 20, 2020. If your return is submitted after July 20, 2020, a new time stamp is issued to reflect that your return was submitted after the IRS deadline and, consequently, is no longer considered to have been filed on time.

If you request an automatic six-month extension, your return must be electronically postmarked by midnight October 15, 2020. If your federal tax return is rejected, the IRS will still consider it filed on time if the electronic postmark is on or before October 15, 2020, and the corrected return is submitted and accepted by October 20, 2020.

2. THE ACCEPTANCE DATE.

Once the IRS accepts the electronically filed return, the acceptance date will be provided by the Intuit Electronic Filing Center. This date is proof that the IRS accepted the electronically filed return.

IMPORTANT DISCLOSURES

If you are owed a federal tax refund, you have a right to choose how you will receive the refund. There are several options available to you. Please read about these options below.

You can file your federal tax return electronically or by paper and obtain your federal tax refund <u>directly</u> from the Internal Revenue Service ("IRS") <u>for free.</u> If you file your tax return electronically, you can receive a refund check directly from the IRS through the U.S. Postal Service in 21 to 28 days from the time you file your tax return or the IRS can deposit your refund directly into your bank account in less than 21 days from the time you file your tax return unless there are delays by the IRS. If you file a paper return through the U.S. Postal Service, you can receive a refund check directly from the IRS through the U.S. Postal Service in 6 to 8 weeks from the time the IRS receives your return or the IRS can deposit your refund directly into your bank account in 6 to 8 weeks from the time the IRS receives your return. However, if your return contains Earned Income Tax Credit or Additional Child Tax Credit, the IRS will issue your refund no earlier than February 15, 2020.

You can file your tax return electronically, select the Refund Processing Service ("RPS"), and have your federal income tax refund processed through a processor using banking services of a financial institution. The RPS allows your refund to be deposited into a bank account intended for one-time use at Green Dot Bank ("Bank") and deducts your TurboTax fees and other fees you authorize from your refund. The balance is delivered to you via the disbursement method you select. If you file your tax return electronically and select the RPS, the IRS will deposit your refund with Bank. Upon Bank's receipt of your refund, Santa Barbara Tax Products Group, LLC, a processor, will deduct and pay from your refund any fees charged by TurboTax for the preparation and filing of your tax return and any other amounts authorized by you and disburse the balance of your refund proceeds to you. Unless there are delays by the IRS, refunds are received in less than 21 days from the time you file your tax return electronically. However, if your return contains Earned Income Tax Credit or Additional Child Tax Credit, the IRS will issue your refund no earlier than February 15, 2020.

The RPS is not necessary to obtain your refund. If you have an existing bank account, you do not need to use the RPS in order to receive a direct deposit from the IRS. You may consult the IRS website (IRS.gov) for information about tax refund processing.

If you select the RPS, no prior debt you may owe to Bank will be deducted from your refund.

You can change your income tax withholdings which might result in you receiving additional funds throughout the year rather than waiting to receive these funds potentially in an income tax refund next year. Please consult your employer or tax advisor for additional details.

This Agreement requires all disputes to be resolved by way of binding arbitration. The terms of the arbitration provision appear in section 10.

Information regarding low-cost deposit accounts may be available at www.mymoney.gov .

The chart below shows the options for filing your tax return (e-file or paper return), the RPS product, refund disbursement options, estimated timing for obtaining your tax refund proceeds, and costs associated with the various options.

Excess Social Security and Tier I RRTA Tax Withheld Smart Worksheet

The calculated amount for Excess social security and tier 1 RRTA tax withheld could include a portion that needs to be removed. When a taxpayer has multiple W-2's, each with the same EIN, excess withholding can only be claimed if the Employer's Name's in box c of the W-2's reflect separate business entities. This could occur when a parent company has multiple subsidiaries, or when a temp agency issues W-2's for distinctly different jobs. If you have multiple W-2's with the same EIN, for the same taxpayer, and for the same job, reduce the amount calculated on Line A below by the excess withholdings from only those W-2's.

Use this schedule to list and calculate your total PA-taxable compensation and PA tax withheld from all sources.

Section I Instructions: List each federal Form W-2 for you and your spouse, if married, received from your employer(s). In the first column enter T for the taxpayer's Social Security Number that appears first on the PA tax return and enter S for the second or spouse SSN. From the Form(s) W-2, enter each employer's federal identification number. Enter the amounts from the Forms W-2 in each column. IMPORTANT: You do not have to submit a copy of your Form W-2 if you earned all your income in Pennsylvania and your employer reported your PA wages correctly and withheld the correct amount of PA income tax. You must submit a copy of your Form W-2 in certain circumstances. See the PA Schedule W-2S instructions for a list of when a copy of a W-2 is required.

Section II Instructions: List each source of income received during the taxable year on a form or statement other than a federal Form W-2. Enter each payer's name. List the payment type that most closely describes the source of your non-employee compensation. Enter the amount of other compensation that you earned. If the form or statement does not have separately stated amounts, enter the amount shown in both federal and PA columns.

IMPORTANT: You must submit a copy of each form and statement that you list in Section II, whether or not the payer withheld any PA income tax and regardless of whether or not the income was taxable in PA. CAUTION: The federal and Pennsylvania (state) wages may be different in Section I and Section II.

If you need more space, you may photocopy this schedule or make your own schedules in this format.

Important: A taxpayer and spouse must complete separate schedules to report their gains or losses or if any amounts are reported on Lines 3 through 10 of PA Schedule D. However, if all the gains and losses were realized on a joint basis, one schedule may be completed. Complete the oval to indicate whether the gains and losses included on the schedule are from the taxpayer, spouse or joint. One spouse may not use a loss to reduce the other spouse's gains. When reporting the sale of jointly owned property that is not reported on a joint PA Schedule D, each must show their share of the sale on their separate PA Schedule D. Read the instructions. Enter all sales, exchanges or other dispositions of real or personal tangible and intangible property, including inherited property. Amounts from Federal Schedule D may not be correct for PA income tax purposes. Nonresidents should read carefully the instructions concerning intangible property. If the result is a loss, fill in the oval next to the line.
