RE: Win/Loss Statement Account # 5078396

Dear MOHAMMED ,

We have received your request for your Graton Rewards Win/Loss Statement information. We wish to emphasize that we cannot warrant this statement to be a comprehensive reflection of your wins and losses at Graton Resort & Casino; rather, is it based upon your gaming activity while your Graton Rewards Card was being utilized.

Pit activity is based upon estimates of a player's live games play that is made by our casino rating personnel. Slot activity is based upon a player's electronically recorded slot, video poker and video keno machine play.

We are pleased to provide you with this information as a valued customer. We hope that you find this statement useful in supporting the gaming records that you maintain. Thank you for playing at Graton Resort & Casino.

Sincerely,

Marketing Team
 Graton Casino & Resort

Graton Resort & Casino does not warrant that this statement provides a complete record of the account holder's gaming activity while his or her Graton Rewards Card was being utilized. Jackpots are a combination of hand-pays and jackpots where a W2-G form has been issued. Please note the below statement is not audited.
