The Form 1098 year-end Mortgage Interest Statement summarizes the payments you paid to your mortgage servicer(s). If no payments were received during the calendar year of 2020 (or during the time we serviced the account during the calendar year of 2020), IRS Form 1098 will reflect a zero in box 1 (no interest paid). We send this form and the accompanying notices to ensure compliance with applicable state and federal disclosure requirements.

**MI Insurance Tax Surcharge**

If your property is located in Kentucky or West Virginia and you have paid Mortgage Insurance (MI) premiums, please note that these states impose a tax surcharge on MI premiums as a special assessment. The amount of the tax surcharge varies from state to state and is reported to the state by the MI company. Any such tax surcharge is not included in the premium amount paid reported on Form 1098.

Please be advised that the interest reported in line 1 may be overstated if part or all of your contractual monthly mortgage payments are subsidized by a third party. You may wish to seek advice from your tax consultant.
