**Instructions for Recipient**

The information provided may be different for covered and noncovered securities. For a description of covered securities, see the instructions for form 8949. For a taxable covered security acquired at a premium, unless you generally must report either (1) a net amount of interest that reflects the offset of the amount of interest paid to you by the amount of premium amortization allocable to the payments, or (2) a gross amount for both the amount of interest paid to you and the premium allocated to the payments, then your payer will only report the gross amount of interest paid to you. For a noncovered security acquired at a premium, your payer is only required to report the gross amount of interest paid to you.

**Recipient's taxpayer identification number (TIN).** For your protection, this form may show only the last four digits of your TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)). However, the issuer has reported your complete TIN to the IRS.

**FATCA filing requirement.** If the FATCA filing requirement box is checked, the payer is reporting on this form 1099-INT to satisfy its chapter 4 account reporting requirement. You also may have a filing requirement. See the instructions for form 8949.

**Account number.** May show an account or other unique number the payer assigned to distinguish your account. Account number is not required.

**Box 1.** Shows taxable interest paid to you during the calendar year by the payer. This does not include interest from clean renewable energy bonds, qualified zeroed-out renewable energy bonds, new clean renewable energy bonds, qualified energy conservation bonds, qualified zeroed-out renewable energy bonds, and build America bonds that must be included in your interest income. These amounts were treated as paid to you during 2020 on the credit allowance dates (March 15, June 15, September 15, and December 15). For more information, see Form 8912. See the instructions above for a taxable covered security acquired at a premium.

**Box 2.** Shows interest or principal forfeited because of early withdrawal of time savings. You may deduct this amount to figure your adjusted gross income on your income tax return. See the instructions for Forms 1040 and 1040-SR to see where to take the deduction.

**Box 3.** Shows interest on U.S. Savings Bonds, Treasury bills, Treasury Inflation Protected Securities, and U.S. Government securities. This interest is not all taxable. See Pub. 550, Savings Bonds, Treasury bills, Treasury Inflation Protected Securities, and U.S. Government securities, for more information. This interest is not taxable if the payer is reporting on this form 1099-INT for a taxable security acquired at a premium.

**Box 4.** Shows backup withholding. Generally, a payer must backup withhold if you did not furnish your TIN (or you did not furnish the correct TIN to the payer. See Form W-9, Include this amount on your income tax return as tax withheld.

**Box 5.** Any amount shown is your share of investment expenses for single-class REMIC. This amount is included in your cost basis for the security.

**Box 6.** Shows foreign tax paid. You may be able to claim this tax as a deduction or a credit on your Form 1040 or 1040-SR. See your tax return instructions.

**Box 7.** Shows the country or U.S. possession to which the foreign tax was paid.

**Box 8.** Shows tax-exempt interest paid to you during the calendar year by the payer. See how to report this amount in the instructions for Forms 1040 and 1040-SR. This amount may be subject to backup withholding. See Box 4.

If an amount is not reported in this box for a taxable covered security, see the instructions for Schedule B (Form 1040 or 1040-SR) to determine the net amount of interest includable in income on Form 1040 or 1040-SR with respect to the U.S. Treasury obligation.
