 - Credit card payments
 - Direct debit payments
 - Applicable fees
- To apply for an installment agreement plan by mail, send in your signed Response form AND a completed Form 9465, Installment Agreement Request.

If the same error occurred in another tax year, file a Form 1040X for that tax year.

We send information about these changes to state and local tax agencies. If the changes we made to your federal tax return also impact your state or local tax return, file an amended state or local tax return as soon as possible.

Interest charges

We are required by law to charge interest when you do not pay your liability on time. Generally, we calculate interest from the due date of your return (regardless of extensions) until you pay the amount you owe in full, including accrued interest and any penalty charges. Interest on some penalties accrues from the date we notify you of the penalty until it is paid in full. Interest on other penalties, such as failure to file a tax return, starts from the due date or extended due date of the return. Interest rates are variable and may change quarterly. (Internal Revenue Code Section 6601)

Interest is calculated to 30 days from the date of the notice for domestic addresses and 60 days from the date of the notice for foreign and APO/FPO/DPO addresses. Interest will continue to accrue until you pay the amount you owe in full.
