Introducing **Visa Purchase Alerts**—a program designed to detect fraudulent transactions on your HSA Visa Debit Card. When you enroll in Visa Purchase Alerts, you'll receive real-time text alerts or emails about suspicious activity, like a store purchase in London when you're home in bed in the U.S.

It's simple to enroll:

1. Go to purchasealerts.visa.com/vca-web/check, and see if your card is available.
2. Register your mobile device and email to receive Visa Purchase Alerts.
3. Choose the notification triggers that match your needs (i.e., transactions that exceed a set spending limit).

If you're alerted to something suspicious, you can contact the 800 number on the back of your HSA debit card to report suspicious transactions.
