Enter the name and Social Security number for each member of your tax household. Check the box for every month each person had minimum essential health coverage or qualified for an exemption (part-year residents include only months as a New Jersey resident). If an individual qualified for an exemption, enter the exemption number. (See instructions for line 53, NJ-1040.) If an individual has more than one exemption number, check the box. If you need more space, enclose a statement listing any additional individuals.
