Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Employee Offer of Coverage section, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Covered Individuals section, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

TIP *Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in the Covered Individuals section if they request it for their records.*

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), including the individual shared responsibility provisions, the premium tax credit, and the employer shared responsibility provisions, visit *www.irs.gov/ACA* or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Employee

Reports information about you, the employee. Reports your social security number (SSN). For your protection, this form may show only the last four digits of your SSN. However, the employer is required to report your complete SSN to the IRS.

Applicable Large Employer

Reports information about your employer. This includes a telephone number for the person whom you may call if you have questions about the information reported on the form or to report errors in the information on the form and ask that they be corrected.

Employer Offer of Coverage, Lines 14-17

Line 14. The codes listed below for line 14 describe the coverage that your employer offered to you and your spouse and dependent(s), if any. (If you received an offer of coverage through a multiemployer plan due to your membership in a union, that offer may not be shown on line 14.) The information on line 14 relates to eligibility for coverage subsidized by the premium tax credit for you, your spouse, and dependent(s). For more information about the premium tax credit, see Pub. 974.

Line 15. Reports the employee required contribution, which is the monthly cost to you for the lowest-cost self-only minimum essential coverage providing minimum value that your employer offered you. See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage.
