Additional Information on 1099-G

Why did I get a 1099-G?

- The United States Internal Revenue Code (6050E) requires that all refunds, credits or offsets received in calendar year 2020 be reported to you on form 1099-G.
- The IRS notifies the Department of Taxation each year which Ohio taxpayers should be issued a 1099-G.
- For more information on why you received a 1099-G, see tax.ohio.gov for FAQs (in the "Income - 1099-G and 1099-INT from the Department of Taxation" topic).

What do I do with the 1099-G?

- You may have to claim it as income on the federal return. The total amount shown may be taxable to you if you listed the Ohio tax paid as an itemized deduction on your previous year federal income tax return. The 1099-G does not take into consideration any taxes paid within the same year.

Why doesn't the amount on the 1099-G match the refund amount I received?

- The total amount of the overpayment is required to be reported on the 1099-G even if the overpayment was donated or paid a use tax liability. Please see the example under the second bullet point on the reverse side.

If you have questions on where and how to report this on your federal return, call the IRS at 1-800-829-1040.
