**Proceeds from Broker and Barter Exchange Transactions**

2020 1099-B\* OMB No. 1545-0715

02/14/2021

Sales transactions are organized into sections according to term (long, short or undetermined) and covered status (covered or noncovered). For tax lots whose term is undetermined, use your historical documents to establish the cost basis and date of purchase. The Box 12, basis is reported to the IRS indicator checkmark, is reflected as being checked in the title of the covered securities pages of Forms 1099-B, short-term and long-term. The title pages of the noncovered securities pages for Forms 1099-B reflect that Box 12 is not being checked, as these securities are not being reported to the IRS.

Several columns include both an amount and a qualifying notation to its right. Where proceeds are the result of an option exercise or assignment, there is indication of whether the amount is N (net of option premium) or G (Gross). Accrued market discount and wash sale loss disallowed appear in the same column, identified by the letters D or W, respectively. Where you are not permitted to recognize a loss, an indication of X (change in control or capital structure) or Z (other corporate action) is used. The change in control condition is reported to the IRS for covered lots. Neither the disallowance of loss due to a corporate action nor the amount of gain or loss is reported to the IRS in any instance.

Some tax lots may have notations in the column of Additional Information because they require special treatment on your tax returns. Sales of securities such as Contingent Payment Debt Instruments (CPDI) are marked as "Ordinary" because gains and losses on these instruments generally do not qualify as short- or long-term capital transactions. Similarly, lots noted as "3 - [X] Collectible" are handled distinctly under the tax code. These conditions are reported to the IRS. You may wish to consult with your tax advisor, the IRS or your state tax authority regarding the proper treatment for these scenarios. With further regard to Box 3, there is also a checkmark to indicate the proceeds of sale are from a Qualified Opportunity Zone Fund investment - a QOF. If the proceeds are from a QOF the Additional Information column will reflect the following - "3 - [X] Proceeds from QOF." The tax treatment for QOF investments can be complex and you may wish to consult your tax advisor about such sales.

Closing of written options is presented in a distinct manner in accordance with IRS regulation. For these transactions the Cost or other basis (column 1e) is always presented as \$0.00 and the Proceeds (column 1d) is the net of the amount received when the option was written and the cost to close the position.

FATCA filing requirement [ ]

**Detail for Interest Income**

2020

02/14/2021

*This section of your tax information statement contains the payment level detail of taxable interest and associated bond premium. Market discount will be shown here only if you have elected to recognize it currently rather than at the time of sale or maturity. Bond premium and market discount for covered tax lots are totaled on Form 1099-INT and reported to the IRS. For noncovered tax lots, they are totaled and presented beneath the 1099-INT for informational purposes and are not reported to the IRS.*

*To provide a complete picture of activity for each investment, we also include here nonreportable transactions such as accrued interest paid on purchases and payment or receipt of nonqualified interest. Other amounts, such as federal, state and foreign tax withheld and investment expenses are shown as negative amounts but do not net against the reportable income totals.*

**Fees and Expenses**

2020

02/14/2021

*This section of your tax information statement may contain the detail of fees and investment expenses that are not accounted for in amounts reportable to the IRS on the various Forms 1099. You may wish to consult with your tax advisor, the IRS or your state tax authority regarding the proper treatment.*

*These amounts are provided here to facilitate an accounting of all amounts received during the year and are totaled in the Reconciliations, Fees, Expenses and Expenditures found in the Summary Information at the beginning of the statement.*

Description	CUSIP and/or symbol	Date	Amount	Transaction type	Notes
		05/18/20	-1.05	Margin interest paid

25 Tax lot closed on a first in first out basis.

---

**Common Instructions for Recipient**

**Recipient's taxpayer identification number (TIN).** For your protection, this form may show only the last four digits of your TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)). However, the issuer has reported your complete TIN to the IRS.

**Account number.** May show an account or other unique number the payer assigned to distinguish your account.

**Backup Withholding.** Shows backup withholding. Generally, a payer must backup withhold if you did not furnish your taxpayer identification number. See Form W-9 and Pub. 505 for more information. Report this amount on your income tax return as tax withheld.

**Nominees.** If this 1099 form includes amounts belonging to another person, you are considered a nominee recipient. You must file as the "payer" the respective Form 1099 (DIV, INT, or OID) Copy A (with a Form 1096) to the IRS for each of the other owners as recipient(s) to show their allocable share of the income and you must furnish the respective Copy B Form(s) and amounts to each owner. A spouse is not required to file a nominee return to show amounts owned by the other spouse. See the General Instructions for Certain Information Returns.

**FATCA filing requirement.** If the FATCA filing requirement box is checked, the payer is reporting on Form 1099 to satisfy its chapter 4 account reporting requirement. You also may have a filing requirement. See the Instructions for Form 8938.

**Keep tax documents for your records.****1099-INT Instructions for Recipient**

The information provided may be different for covered and noncovered securities. For a description of covered securities, see the Instructions for Form 8949. For a taxable covered security acquired at a premium, unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize the premium under section 171, or for a tax-exempt covered security acquired at a premium, your payer generally must report either (1) a net amount of interest that reflects the offset of the amount of interest paid to you by the amount of premium amortization allocable to the payment(s), or (2) a gross amount for both the interest paid to you and the premium amortization allocable to the payment(s). If you did not notify your payer that you did not want to amortize the premium on a taxable covered security, then your payer will only report the gross amount of interest paid to you. For a noncovered security acquired at a premium, your payer is only required to report the gross amount of interest paid to you.

**Recipient's taxpayer identification number (TIN).** For your protection, this form may show only the last four digits of your TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)). However, the issuer has reported your complete TIN to the IRS.

**FATCA filing requirement.** If the FATCA filing requirement line is checked, the payer is reporting on this Form 1099 to satisfy its chapter 4 account reporting requirement. You also may have a filing requirement. See the Instructions for Form 8938.

**Account number.** May show an account or other unique number the payer assigned to distinguish your account.

**Line 1.** Shows taxable interest paid to you during the calendar year by the payer. This does not include interest shown in line 3. May also show the total amount of the credits from clean renewable energy bonds, new clean renewable energy bonds, qualified energy conservation bonds, qualified zone academy bonds, qualified school construction bonds, and build America bonds that must be included in your interest income. These amounts were treated as paid to you during 2020 on the credit allowance dates (March 15, June 15, September 15, and December 15). For more information, see Form 8912. See the instructions above for a taxable covered security acquired at a premium.

**Line 2.** Shows interest or principal forfeited because of early withdrawal of time savings. You may deduct this amount to figure your adjusted gross income on your income tax return. See the Instructions for Forms 1040 and 1040-SR to see where to take the deduction. **Line 3.** Shows interest on U.S. Savings Bonds, Treasury bills, Treasury bonds, and Treasury notes. This may or may not all be taxable. See Pub. 550. This interest is exempt from state and local income taxes. This interest is not included in line 1. See the instructions above for a taxable covered security acquired at a premium.

**Line 4.** Shows backup withholding. Generally, a payer must backup withhold if you did not furnish your TIN or you did not furnish the correct TIN to the payer. See Form W-9. Include this amount on your income tax return as tax withheld.

**Line 5.** Any amount shown is your share of investment expenses of a singleclass REMIC. This amount is included in line 1. Note: This amount is not deductible.

**Line 6.** Shows foreign tax paid. You may be able to claim this tax as a deduction or a credit on your Form 1040 or 1040-SR. See your tax return instructions.

**Instructions for Recipient**

**Line 7.** Shows the country or U.S. possession to which the foreign tax was paid.

**Line 8.** Shows tax-exempt interest paid to you during the calendar year by the payer. See how to report this amount in the Instructions for Forms 1040 and 1040-SR. This amount may be subject to backup withholding. See Line 4 above. See the instructions above for a tax-exempt covered security acquired at a premium.

**Line 9.** Shows tax-exempt interest subject to the alternative minimum tax. This amount is included in line 8. See the Instructions for Form 6251. See the instructions above for a tax-exempt covered security acquired at a premium.

**Line 10.** For a taxable or tax-exempt covered security, if you made an election under section 1278(b) to include market discount in income as it accrues and you notified your payer of the election in writing in accordance with Regulations section 1.6045-1(n)(5), shows the market discount that accrued on the debt instrument during the year while held by you, unless it was reported on Form 1099-OID. For a taxable or tax-exempt covered security acquired on or after January 1, 2015, accrued market discount will be calculated on a constant yield basis unless you notified your payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to make a constant yield election for market discount under section 1276(b). Report the accrued market discount on your income tax return as directed in the Instructions for Forms 1040 and 1040-SR. Market discount on a tax-exempt security is includable in taxable income as interest income.

**Line 11.** For a taxable covered security (other than a U.S. Treasury obligation), shows the amount of premium amortization allocable to the interest payment(s), unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize bond premium under section 171. If an amount is reported in this line, see the Instructions for Schedule B (Form 1040 or 1040-SR) to determine the net amount of interest includable in income on Form 1040 or 1040-SR with respect to the security. If an amount is not reported in this line for a taxable covered security acquired at a premium and the payer is reporting premium amortization, the payer has reported a net amount of interest in line 1. If the amount in line 11 is greater than the amount of interest paid on the covered security, see Regulations section 1.171-2(a)(4).

**Line 12.** For a U.S. Treasury obligation that is a covered security, shows the amount of premium amortization allocable to the interest payment(s), unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize bond premium under section 171. If an amount is reported in this line, see the Instructions for Schedule B (Form 1040 or 1040-SR) to determine the net amount of interest includable in income on Form 1040 or 1040-SR with respect to the U.S. Treasury obligation. If an amount is not reported in this line for a U.S. Treasury obligation that is a covered security acquired at a premium and the payer is reporting premium amortization, the payer has reported a net amount of interest in line 3. If the amount in line 12 is greater than the amount of interest paid on the U.S. Treasury obligation, see Regulations section 1.171-2(a)(4).

**Line 13.** For a tax-exempt covered security, shows the amount of premium amortization allocable to the interest payment(s). If an amount is reported in this line, see Pub. 550 to determine the net amount of tax-exempt interest reportable on Form 1040 or 1040-SR. If an amount is not reported in this line for a tax-exempt covered security acquired at a premium, the payer has reported a net amount of interest in line 8 or 9, whichever is applicable. If the amount in line 13 is greater than the amount of interest paid on the tax-exempt covered security, the excess is a nondeductible loss. See Regulations section 1.171-2(a)(4)(ii).

**Line 14.** Shows CUSIP number(s) for tax-exempt bond(s) on which tax-exempt interest was paid, or tax credit bond(s) on which taxable interest was paid or tax credit was allowed, to you during the calendar year. If blank, no CUSIP number was issued for the bond(s). **Lines 15-17.** State tax withheld reporting lines. Nominees. If this form includes amounts belonging to another person(s), you are considered a nominee recipient.

Complete a Form 1099-INT for each of the other owners showing the income allocable to each. File Copy A of the form with the IRS. Furnish Copy B to each owner. List yourself as the "payer" and the other owner(s) as the "recipient." File Form(s) 1099-INT with Form 1096 with the Internal Revenue Service Center for your area. On Form 1096, list yourself as the "filer." A spouse is not required to file a nominee return to show amounts owned by the other spouse. Future developments. For the latest information about developments related to Form 1099-INT and its instructions, such as legislation enacted after they were published, go to [www.irs.gov/Form1099INT](http://www.irs.gov/Form1099INT).

**1099-B Instructions for Recipient**

Brokers and barter exchanges must report proceeds from (and in some cases, basis for) transactions to you and the IRS on Form 1099-B. Reporting is also required when your broker knows or has reason to know that a corporation in which you own stock has had a reportable change in control or capital structure. You may be required to recognize gain from the receipt of cash, stock, or other property that was exchanged for the corporation's stock. If your broker reported this type of transaction to you, the corporation is identified in box 1a.

**Recipient's taxpayer identification number (TIN).** For your protection, this form may show only the last four digits of your TIN (social security number (SSN), individual

taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)). However, the issuer has reported your complete TIN to the IRS.

**Account number.** May show an account or other unique number the payer assigned to distinguish your account.

**CUSIP number.** Shows the CUSIP (Committee on Uniform Security Identification Procedures) number or other applicable identifying number.

**FATCA filing requirement.** If the FATCA filing requirement box is checked, the payer is reporting on this Form 1099 to satisfy its chapter 4 account reporting requirement. You may also have a filing requirement. See the Instructions for Form 8938.

**Applicable checkbox on Form 8949.** Indicates where to report this transaction on Form 8949 and Schedule D (Form 1040 or 1040-SR), and which checkbox is applicable. See the instructions for your Schedule D (Form 1040 or 1040-SR) and/or Form 8949.

**Line 1a.** Shows a brief description of the item or service for which amounts are being reported. For regulated futures contracts and forward contracts, "RFC" or other appropriate description may be shown. For Section 1256 option contracts, "Section 1256 option" or other appropriate description may be shown. For a corporation that had a reportable change in control or capital structure, this box may show the class of stock as C (common), P (preferred), or O (other).

**Line 1b.** This box may be blank if box 5 is checked or if the securities sold were acquired on a variety of dates. For short sales, the date shown is the date you acquired the security delivered to close the short sale.

**Line 1c.** Shows the trade date of the sale or exchange. For short sales, the date shown is the date the security was delivered to close the short sale. For aggregate reporting in boxes 8 through 11, no entry will be present.

**Line 1d.** Shows the cash proceeds, reduced by any commissions or transfer taxes related to the sale, for transactions involving stocks, debt, commodities, forward contracts, non-Section 1256 option contracts, or securities futures contracts. May show the proceeds from the disposition of your interest(s) in a widely held fixed investment trust. May also show the aggregate amount of cash and the fair market value of any stock or other property received in a reportable change in control or capital structure arising from the corporate transfer of property to a foreign corporation. Losses on forward contracts or non-Section 1256 option contracts are shown in parentheses. This box does not include proceeds from regulated futures contracts or Section 1256 option contracts. Report this amount on Form 8949 or on Schedule D (Form 1040 or 1040-SR) (whichever is applicable) as explained in the Instructions for Schedule D (Form 1040 or 1040-SR).

**Line 1e.** Shows the cost or other basis of securities sold. If the securities were acquired through the exercise of a noncompensatory option granted or acquired on or after January 1, 2014, the basis has been adjusted to reflect your option premium. If the securities were acquired through the exercise of a noncompensatory option granted or acquired before January 1, 2014, your broker is permitted, but not required, to adjust the basis to reflect your option premium. If the securities were acquired through the exercise of a compensatory option, the basis has not been adjusted to include any amount related to the option that was reported to you on a Form W-2. If box 5 is checked, box 1e may be blank. See the Instructions for Form 8949, the Instructions for Schedule D (Form 1040 or 1040-SR), or Pub. 550 for details.

Box 1f. Shows the amount of accrued market discount. For details on market discount, see the Schedule D (Form 1040 or 1040-SR) instructions, the Instructions for Form 8949, and Pub. 550. If box 5 is checked, box 1f may be blank.

**Line 1g.** Shows the amount of nondeductible loss in a wash sale transaction. For details on wash sales, see the Schedule D (Form 1040 or 1040-SR) instructions, the Instructions for Form 8949, and Pub. 550. If box 5 is checked, box 1g may be blank.

**Line 2.** The short-term and long-term boxes pertain to short-term gain or loss and long-term gain or loss. If the "Ordinary" box is checked, your security may be subject to special rules. For example, gain on a contingent payment debt instrument subject to the noncontingent bond method generally is treated as ordinary interest income rather than as capital gain. See the Instructions for Form 8949, Pub. 550, or Pub. 1212 for more details on whether there are any special rules or adjustments that might apply to your security. If box 5 is checked, box 2 may be blank.

**Line 3.** If checked, proceeds are from a transaction involving collectibles or from a Qualified Opportunity Fund (QOF).

**Line 4.** Shows backup withholding. Generally, a payer must backup withhold if you did not furnish your TIN to the payer. See Form W-9 for information on backup withholding. Include this amount on your income tax return as tax withheld.

**Line 5.** If checked, the securities sold were noncovered securities and boxes 1b, 1e, 1f, 1g, and 2 may be blank. Generally, a noncovered security means: stock purchased before 2011, stock in most mutual funds purchased before 2012, stock purchased in or transferred to a dividend reinvestment plan before 2012, debt acquired before 2014, options granted or acquired before 2014, and securities futures contracts entered into before 2014.

**Instructions for Recipient**

**Line 6.** If the exercise of a noncompensatory option resulted in a sale of a security, a checked "net proceeds" box indicates whether the amount in box 1d was adjusted for option premium.

**Line 7.** If checked, you cannot take a loss on your tax return based on gross proceeds from a reportable change in control or capital structure reported in box 1d. See the Form 8949 and Schedule D (Form 1040 or 1040-SR) instructions. The broker should advise you of any losses on a separate statement.

**Line 12.** If checked, the basis in box 1e has been reported to the IRS and either the short-term or the long-term gain or loss box in box 2 will be checked. If box 12 is checked on Form(s) 1099-B and NO adjustment is required, see the instructions for your Schedule D (Form 1040 or 1040-SR) as you may be able to report your transaction directly on Schedule D (Form 1040 or 1040-SR). If the "Ordinary" box in box 2 is checked, an adjustment may be required.

**Line 13.** Shows the cash you received, the fair market value of any property or services you received, and the fair market value of any trade credits or scrip credited to your account by a barter exchange. See Pub. 525.

**Lines 14-16.** Show state(s)/local income tax information.

**Future developments.** For the latest information about any developments related to Form 1099-B and its instructions, such as legislation enacted after they were published, go to [www.irs.gov/Form1099B](http://www.irs.gov/Form1099B).
