Siva Srinivasa Pasam,

Thank you for being a Partner for Children and helping change the lives of children all around the world. 2020 has been a difficult year, to say the least, but thanks to donors like you, we were able to reach even more children in need.

Save the Children believes every child deserves a future, but without you we couldn't give children a healthy start in life, the opportunity to learn and protection from harm. As we head into 2021, we are grateful to have partners like you who are changing children's lives for the better.

Thank you for improving the lives of millions of children around the world!
