2021 STATE SCHEDULE

This State Schedule provides the information necessary to prepare your state tax returns. State specific K-1s will be available on our website by July 2022.

Resident State Filing Guidelines: Generally, the amounts reported on the Federal K-1 are needed to prepare your income tax return for the state in which you live. Due to frequent tax law changes by the states, you should consult your tax advisor concerning the proper tax treatment in your state of residence.

Non-resident State Filing Guidelines: The Partnership operates in various states, some of which impose an income tax on a Partner's share of the income allocable to such state. You may be required to file a tax return with the states even though you are not a resident of these states. The State schedule represents allocations of your share of the federal amounts to the states in which the Partnership operates. If you are required to file a nonresident return, you should enter your share of the Partnership tax items attributable to the particular state on your state tax return.

This schedule should be utilized for the filing of non-resident state tax returns.

- **Column 1 and 2:** This information has been provided to the Partnership by you, the transfer agent or your broker. If you acquired units in more than one lot, each disposition below reflects a prorated amount of each acquisition, and you may enter "VARIOUS" on Form 8949 Column B - "Date Acquired".
- **Column 3:** Enter this amount from your broker records and report on Form 8949, Column D.
- **Column 4:** This amount is based on information provided to the Partnership by you or your broker, or the amount used to determine your share of allocable gain or loss on this & (if applicable) prior years' Schedule K-1.
- **Column 5:** Your Cumulative Adjustments to Basis includes your cumulative allocable partnership income, deductions, distributions, etc. and has not been adjusted for any gains recognized under §731 or §737. If you were allocated excess business interest expense, this year or any prior years, you may be able to add back this amount to Column 5 if you sold all or substantially all of your units. For additional guidance please consult your tax advisor.

Column 6: This amount is the sum of Columns 4 & 5 and represents your estimated outside basis (exclusive of liability allocations) in the disposed partnership interest.

Column 7: The instructions to Form 8949 are unclear in the determination of capital gains where total gain on the sale of units is partially ordinary gain. Reporting this amount as a negative adjustment in Column G of Form 8949 should generally result in the correct capital gain or loss. The amount reported as ordinary gain is qualified PTP income for Section 199A and has not been included in the amount reported on Schedule K-1, Line 20Z.

Column 8: Use this amount to adjust your gain/loss for Alternative Minimum Tax purposes.

Column 9: For your convenience, the Partnership has provided the percentages of your disposed partnership units held for greater than one year based on the transaction dates provided by you or your broker, as displayed on your Ownership Schedule. Consult with your tax advisor for proper treatment of varying holding periods of your disposed partnership units.

If you disposed of your partnership interest during 2021, this Sales Schedule is provided to assist you in the calculation of your gain or loss as a result of your disposition. IRS Revenue Ruling 84-53 provides that a partner has a single unified basis in their partnership interest. If you acquired units through various purchases, each row on the schedule above includes a prorated amount of the disposed partnership interest. The partnership has provided this schedule solely as a courtesy. Basis information is not reported to the Internal Revenue Service by the Partnership. Each partner must make their own determination of the amount of basis to be associated with the partnership interest that was sold during the year. Please consult with your tax advisor to obtain advice on how this determination should be made. If you notified the Partnership that you used an alternate basis disposition method, the schedule above will generally yield a result that is not consistent with IRS Revenue Ruling 84-53. If you disposed of a portion of your partnership interest (rather than your entire interest) you may be subject to the passive activity loss limitation rules. Please consult with your tax advisor for the appropriate tax treatment. For additional information to comply with §864(c)(8), please contact Tax Package Support at (800) 577-1033.
