Description of Symptoms and/or Customer's Request  
 There was a storm that blew out the lights to the stove. It has worked on and off for awhile . . .

Model and Serial Numbers  
 WFE505W0HZ1  
 R84418466

Service Performed  
 Arrived on site for a range that will not turn on. Inspected unit and work area. Check voltage and found improper voltage going to the unit. Advise the customer that they would need to have their electrical fixed for the oven to work. Collected service fee of \$151.54 via CC through the office. Call complete.
