Before you check Box A, B, or C below, see whether you received any Form(s) 1099-B or substitute statement(s) from your broker. A substitute statement will have the same information as Form 1099-B. Either will show whether your basis (usually your cost) was reported to the IRS by your broker and may even tell you which box to check.

Part I Short-Term. Transactions involving capital assets you held 1 year or less are generally short-term (see instructions). For long-term transactions, see page 2.

Note: You may aggregate all short-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS and for which no adjustments or codes are required. Enter the totals directly on Schedule D, line 1a; you aren't required to report these transactions on Form 8949 (see instructions).

You must check Box A, B, or C below. Check only one box. If more than one box applies for your short-term transactions, complete a separate Form 8949, page 1, for each applicable box. If you have more short-term transactions than will fit on this page for one or more of the boxes, complete as many forms with the same box checked as you need.

ARKANSAS INDIVIDUAL INCOME TAX CAPITAL GAINS

Primary's legal name	Primary's social security number
ANUSHA BATTU & GEORGE ANTHONY	074-63-8272

In Arkansas, only 50% of the net capital gain is taxed. 100% of the short term capital gain is taxed.

Per Act 1488 of 2013, the amount of net capital gain in excess of ten million dollars (\$10,000,000) from a gain realized on or after January 1, 2014, is exempt from state tax.

Complete the AR1000D if you have a CAPITAL GAIN OR LOSS reported on federal Schedule D, or if Schedule D is not required, a gain reported on federal Form 1040, line 7. The amount of capital loss that can be deducted after offsetting capital gains is limited to \$3,000 (\$1,500 per taxpayer for filing status 4 or 5). See instructions for line 14, Form AR1000F/AR1000NR.

Adjust your gains and losses for depreciation differences, if any, in the federal and Arkansas amounts using lines 2, 5 and 10. *

Note. Arkansas did not adopt the federal "bonus depreciation" provision from previous years. Therefore, there may be a difference in federal and Arkansas amounts of depreciation allowed.

Full Year Resident Filers - Complete columns (A) and (B) only.

Nonresident or Part Year Resident Filers - Complete columns (A), (B), and (C).

Credit for Tax Paid to Other States

IL Attachment No. 17

Read this information first

You should file Schedule CR if

- you were either a resident or a part-year resident of Illinois during the tax year; and
- you paid income tax to another state on income you earned while you were an Illinois resident; and
- the income subject to the other state's tax is included in your Illinois base income; and
- you did not deduct the income tax paid to the other state when you figured your federal adjusted gross income as shown on your Illinois tax return.

You should not file this schedule if

- you were a nonresident of Illinois during the entire tax year; or
- you did not pay income tax to Illinois and another state.

For purposes of this schedule, "state" means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or political subdivision of any of these (e.g., county, city, local). The term "state" does not refer to any foreign country.

Note If you earned income in Iowa, Kentucky, Michigan, or Wisconsin, you may be covered by a reciprocal agreement. This agreement applies only to income from wages, salaries, tips, and other employee compensation. See the Schedule CR Instructions.

Step 1: Provide the following information
