Your 2021 Economic Impact Payment(s)
Keep this information with your tax records.

Why you received this letter.

Under the American Rescue Plan, the Internal Revenue Service (IRS) issued you 2021 Economic Impact Payment(s) for the following total amount:

Total 2021 Economic Impact Payment(s): \$700.00

What do you need to do?

This Economic Impact Payment isn't considered taxable income, and you shouldn't report it as income on your 2021 federal income tax return. However, you'll need the total payment amount shown above to determine whether you're eligible to claim the Recovery Rebate Credit on your 2021 federal income tax return.

If you think you didn't receive the full amount of the third Economic Impact Payment you were entitled to, you must file a 2021 federal income tax return to claim the Recovery Rebate Credit, even if you aren't otherwise required to file a tax return.

How can you get more information?

For more information about Economic Impact Payments, visit [IRS.gov/eip](https://www.irs.gov/eip), or call the IRS Economic Impact Payment hotline at 800-919-9835.

Many New Jersey Taxpayers Are Eligible For 2021 Earned Income Tax Credits

Both a federal and New Jersey Earned Income Tax Credit (NJEITC) are available to eligible taxpayers.

Workers who are eligible for the federal credit also qualify for the NJEITC. Like the federal credit, the NJEITC can reduce the amount of tax you owe, or increase the amount of your refund check.

Everyone who applies and qualifies for the federal credit is eligible to receive the NJEITC. New for this year, we lowered the age limit to 18 and expanded the NJEITC so you may qualify even if you do not have a qualifying child or receive a federal credit. To receive the NJEITC, **you must file a New Jersey Resident Income Tax return**, even if your income is below New Jersey's minimum filing threshold amount. You cannot qualify for the NJEITC if you and your spouse or civil union partner file separate Income Tax returns. To be eligible for the NJEITC for Tax Year 2021, you must:

- Claim and be allowed (or would claim and be allowed if you met the age limit) a federal Earned Income Tax Credit for the same tax year;
- Be a resident of this state who works or earns income;
- Have a qualifying child or be at least 18 years old;
- Meet the income limits for your filing status; and
- Have a valid Social Security number (This includes your spouse and any qualifying child you list on your tax return).

The amount of your NJEITC is a percentage of your federal Earned Income Tax Credit. This year, the NJEITC amount is equal to 40% of the federal credit. So, if your federal Earned Income Tax Credit is \$4,000, your NJEITC will be \$1,600. If you lived in New Jersey for only part of 2021, your NJEITC will be based on the number of months you were a New Jersey resident. For this calculation, 15 days or more equals one month.

THIS IS NOT A TAX BILL. It shows the taxable interest paid to you during the calendar year by the Internal Revenue Service. If you are required to file a tax return, report this interest as income on your return. This amount may represent interest on an overpayment for more than one year, or more than one kind of tax. This interest may have been paid with your tax refund or part or all may have been applied against other taxes you owed.
