Form **1095-C** (2021)

Form 1095-C (2021)

Instructions for Recipient

You are receiving this Form 1095-C because your employer is an Applicable Large Employer subject to the employer shared responsibility provisions in the Affordable Care Act. This Form 1095-C includes information about the health insurance coverage offered to you by your employer. Form 1095-C, Part II, includes information about the coverage, if any, your employer offered to you and your spouse and dependent(s). If you purchased health insurance coverage through the Health Insurance Marketplace and wish to claim the premium tax credit, this information will assist you in determining whether you are eligible. For more information about the premium tax credit, see Pub. 974, Premium Tax Credit (PTC). You may receive multiple Forms 1095-C if you had multiple employers during the year that were Applicable Large Employers (for example, you left employment with one Applicable Large Employer and began a new position of employment with another Applicable Large Employer). In that situation, each Form 1095-C would have information only about the health insurance coverage offered to you by the employer identified on the form. If your employer is not an Applicable Large Employer, it is not required to furnish you a Form 1095-C providing information about the health coverage it offered.

In addition, if you, or any other individual who is offered health coverage because of their relationship to you (referred to here as family members), enrolled in your employer's health plan and that plan is a type of plan referred to as a "self-insured" plan, Form 1095-C, Part III, provides information about you and your family members who had certain health coverage (referred to as "minimum essential coverage") for some or all months during the year. If you or your family members are eligible for certain types of minimum essential coverage, you may not be eligible for the premium tax credit.

If your employer provided you or a family member health coverage through an insured health plan or in another manner, you may receive information about the coverage separately on Form 1095-B, Health Coverage. Similarly, if you or a family member obtained minimum essential coverage from another source, such as a government-sponsored program, an individual market plan, or miscellaneous coverage designated by the Department of Health and Human Services, you may receive information about that coverage on Form 1095-B. If you or a family member enrolled in a qualified health plan through a Health Insurance Marketplace, the Health Insurance Marketplace will report information about that coverage on Form 1095-A, Health Insurance Marketplace Statement.

Employers are required to furnish Form 1095-C only to the employee. As the recipient of this Form 1095-C, you should provide a copy to any family members covered under a self-insured employer-sponsored plan listed in Part III if they request it for their records.

Additional information. For additional information about the tax provisions of the Affordable Care Act (ACA), including the individual shared responsibility provisions, the premium tax credit, and the employer shared responsibility provisions, visit *www.irs.gov/ACA* or call the IRS Healthcare Hotline for ACA questions (800-919-0452).

Form 1095-C (2021)

Instructions for Recipient (continued)

Line 15. This line reports the employee required contribution, which is the monthly cost to you for the lowest-cost self-only minimum essential coverage providing minimum value that your employer offered you. For an individual coverage HRA, the employee required contribution is the excess of the monthly premium based on the employee's applicable age for the applicable lowest cost silver plan over the monthly individual coverage HRA amount (generally, the annual individual coverage HRA amount divided by 12). See the Instructions for Forms 1094-C and 1095-C for more details. The amount reported on line 15 may not be the amount you paid for coverage if, for example, you chose to enroll in more expensive coverage such as family coverage. Line 15 will show an amount only if code 1B, 1C, 1D, 1E, 1J, 1K, 1L, 1M, 1N, 1O, 1P, or 1Q is entered on line 14. If you were offered coverage but there is no cost to you for the coverage, this line will report "0.00" for the amount. For more information, including on how your eligibility for other healthcare arrangements might affect the amount reported on line 15, visit IRS.gov.

Line 16. This code provides the IRS information to administer the employer shared responsibility provisions. Other than a code 2C, which reflects your enrollment in your employer's coverage, none of this information affects your eligibility for the premium tax credit. For more information about the employer shared responsibility provisions, visit IRS.gov.

Line 17. This line reports the applicable ZIP code your employer used for determining affordability if you were offered an individual coverage HRA. If code 1L, 1M, or 1N was used on line 14, this will be your primary residence location. If code 1O, 1P, or 1Q was used on line 14, this will be your primary work location. For more information about individual coverage HRAs, visit IRS.gov.

Part III. Covered Individuals, Lines 18–30

Part III reports the name, SSN (or TIN for covered individuals other than the employee listed in Part I), and coverage information about each individual (including any full-time employee and non-full-time employee, and any employee's family members) covered under the employer's health plan, if the plan is "self-insured." A date of birth will be entered in column (c) only if an SSN (or TIN for covered individuals other than the employee listed in Part I) is not entered in column (b). Column (d) will be checked if the individual was covered for at least one day in every month of the year. For individuals who were covered for some but not all months, information will be entered in column (e) indicating the months for which these individuals were covered.

Form **W-2** Wage and Tax Statement

Department of the Treasury-Internal Revenue Service

Notice to Employee

Do you have to file? Refer to the Instructions for Forms 1040 and 1040-SR to determine if you are required to file a tax return. Even if you don't have to file a tax return, you may be eligible for a refund if box 2 shows an amount or if you are eligible for any credit.

Earned income credit (EIC). You may be able to take the EIC for 2021 if your adjusted gross income (AGI) is less than a certain amount. The amount of the credit is based on income and family size. Workers without children could qualify for a smaller credit. You and any qualifying children must have valid social security numbers (SSNs). You can't take the EIC if your investment income is more than the specified amount for 2021 or if income is earned for services provided while you were an inmate at a penal institution. For 2021 income limits and more information, visit www.irs.gov/EITC. See also Pub. 596, Earned Income Credit. Any EIC that is more than your tax liability is refunded to you, but only if you file a tax return.

Employee's social security number (SSN). For your protection, this form may show only the last four digits of your SSN. However, your employer has reported your complete SSN to the IRS and SSA

Clergy and religious workers. If you aren't subject to social security and Medicare taxes, see Pub. 517, Social Security and Other Information for Members of the Clergy and Religious Workers

Corrections. If your name, SSN, or address is incorrect, correct Copies B, C, and 2 and ask your employer to correct your employment record. Be sure to ask the employer to file Form W-2c, Corrected Wage and Tax Statement, with the Social Security Administration (SSA) to correct any name, SSN, or money amount error reported to the SSA on Form W-2. Be sure to get your copies of Form W-2c from your employer for all corrections made so you may file them with your tax return. If your name and SSN are correct but aren't the same as shown on your social security card, you should ask for a new card that displays your correct name at any SSA office or by calling 800-772-1213. You may also visit the SSA website at www.SSA.gov.

Cost of employer-sponsored health coverage (if such cost is provided by the employer). The reporting in box 12, using code DD, of the cost of employer-sponsored health coverage is for your information only. The amount reported with code DD is not taxable.

Credit for excess taxes. If you had more than one employer in 2021 and more than \$8,853.60 in social security and/or Tier 1 railroad retirement (RRTA) taxes were withheld, you may be able to claim a credit for the excess against your federal income tax. If you had more than one railroad employer and more than \$5,203.80 in Tier 2 RRTA tax was withheld, you may also be able to claim a credit. See the Instructions for Forms 1040 and 1040-SR and Pub. 505, Tax Withholding and Estimated Tax.

Instructions for Employee

(See also Notice to Employee on the back of Copy B.)

- Box 1. Enter this amount on the wages line of your tax return.
- Box 2. Enter this amount on the federal income tax withheld line of your tax return.
- **Box 5.** You may be required to report this amount on Form 8959, Additional Medicare Tax. See the Instructions for Forms 1040 and 1040-SR to determine if you are required to complete Form 8959.
- Box 6. This amount includes the 1.45% Medicare Tax withheld on all Medicare wages and tips shown in box 5, as well as the 0.9% Additional Medicare Tax on any of those Medicare wages and tips above \$200.000.
- **Box 8.** This amount is **not** included in box 1, 3, 5, or 7. For information on how to report tips on your tax return, see the Instructions for Forms 1040 and 1040-SR.

You must file Form 4137, Social Security and Medicare Tax on Unreported Tip Income, with your income tax return to report at least the allocated tip amount unless you can prove with adequate records that you received a smaller amount. If you have records that show the actual amount of tips you received, report that amount even if it is more or less than the allocated tips. Use Form 4137 to figure the social security and Medicare tax owed on tips you didn't report to your employer. Enter this amount on the wages line of your tax return. By filing Form 4137, your social security tips will be credited to your social security record (used to figure your benefits).

Box 10. This amount includes the total dependent care benefits that your employer paid to you or incurred on your behalf (including amounts from a section 125 (cafeteria) plan). Any amount over \$5,000 is also included in box 1. Complete Form 2441, Child and Dependent Care Expenses, to figure any taxable and nontaxable amounts.

Box 11. This amount is (a) reported in box 1 if it is a distribution made to you from a nonqualified deferred compensation or nongovernmental section 457(b) plan, or (b) included in box 3 and/or box 5 if it is a prior year deferral under a nonqualified or section 457(b) plan that became taxable for social security and Medicare taxes this year because there is no longer a substantial risk of forfeiture of your right to the deferred amount. This box shouldn't be used if you had a deferral and a distribution in the same calendar year. If you made a deferral and received a distribution in the same calendar year, and you are or will be age 62 by the end of the calendar year, your employer should file Form SSA-131, Employer Report of Special Wage Payments, with the Social Security Administration and give you a copy.

Box 12. The following list explains the codes shown in box 12. You may need this information to complete your tax return. Elective deferrals (codes D, E, F, and S) and designated Roth contributions (codes AA, BB, and EE) under all plans are generally limited to a total of \$19,500 (\$13,500 if you only have SIMPLE plans; \$22,500 for section 403(b) plans if you qualify for the 15-year rule explained in Pub. 571). Deferrals under code G are limited to \$19,500. Deferrals under code H are limited to \$7,000.

However, if you were at least age 50 in 2021, your employer may have allowed an additional deferral of up to \$6,500 (\$3,000 for section

401(k)(11) and 408(p) SIMPLE plans). This additional deferral amount is not subject to the overall limit on elective deferrals. For code G, the limit on elective deferrals may be higher for the last 3 years before you reach retirement age. Contact your plan administrator for more information. Amounts in excess of the overall elective deferral limit must be included in income. See the Instructions for Forms 1040 and 1040-SR.

Note: If a year follows code D through H, S, Y, AA, BB, or EE, you made a make-up pension contribution for a prior year(s) when you were in military service. To figure whether you made excess deferrals, consider these amounts for the year shown, not the current year. If no year is shown, the contributions are for the current year.
