Before you check Box A, B, or C below, see whether you received any Form(s) 1099-B or substitute statement(s) from your broker. A substitute statement will have the same information as Form 1099-B. Either will show whether your basis (usually your cost) was reported to the IRS by your broker and may even tell you which box to check.

Part I **Short-Term.** Transactions involving capital assets you held 1 year or less are generally short-term (see instructions). For long-term transactions, see page 2.

Note: You may aggregate all short-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS and for which no adjustments or codes are required. Enter the totals directly on Schedule D, line 1a; you aren't required to report these transactions on Form 8949 (see instructions).

You *must* check Box A, B, *or* C below. Check only one box. If more than one box applies for your short-term transactions, complete a separate Form 8949, page 1, for each applicable box. If you have more short-term transactions than will fit on this page for one or more of the boxes, complete as many forms with the same box checked as you need.

Before you check Box A, B, or C below, see whether you received any Form(s) 1099-B or substitute statement(s) from your broker. A substitute statement will have the same information as Form 1099-B. Either will show whether your basis (usually your cost) was reported to the IRS by your broker and may even tell you which box to check.

Part I **Short-Term.** Transactions involving capital assets you held 1 year or less are generally short-term (see instructions). For long-term transactions, see page 2.

Note: You may aggregate all short-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS and for which no adjustments or codes are required. Enter the totals directly on Schedule D, line 1a; you aren't required to report these transactions on Form 8949 (see instructions).

You *must* check Box A, B, *or* C below. Check only one box. If more than one box applies for your short-term transactions, complete a separate Form 8949, page 1, for each applicable box. Before you check Box A, B, or C below, see whether you received any Form(s) 1099-B or substitute statement(s) from your broker. A substitute statement will have the same information as Form 1099-B. Either will show whether your basis (usually your cost) was reported to the IRS by your broker and may even tell you which box to check.

Part I **Short-Term.** Transactions involving capital assets you held 1 year or less are generally short-term (see instructions). For long-term transactions, see page 2.

Note: You may aggregate all short-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS and for which no adjustments or codes are required. Enter the totals directly on Schedule D, line 1a; you aren't required to report these transactions on Form 8949 (see instructions).

You *must* check Box A, B, *or* C below. Check only one box. If more than one box applies for your short-term transactions, complete a separate Form 8949, page 1, for each applicable box. If you have more short-term transactions than will fit on this page for one or more of the boxes, complete as many forms with the same box checked as you need.

- ☐ **(A)** Short-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS (see **Note** above)
- ☒ **(B)** Short-term transactions reported on Form(s) 1099-B showing basis **wasn't** reported to the IRS
- ☐ **(C)** Short-term transactions not reported to you on Form 1099-B

IMPORTANT DISCLOSURES

If you are owed a federal tax refund, you have a right to choose how you will receive the refund. There are several options available to you. Some options cost money and some options are free. Please read about these options below.

You can file your federal tax return electronically or by paper and obtain your federal tax refund *directly* from the Internal Revenue Service ("IRS") *for free.* If you file your tax return electronically, you can receive a refund check directly from the IRS through the U.S. Postal Service in 21 to 28 days from the time you file your tax return or the IRS can deposit your refund directly into your bank account in less than 21 days from the time you file your tax return unless there are delays by the IRS. If you file a paper return through the U.S. Postal Service, you can receive a refund check directly from the IRS through the U.S. Postal Service in 6 to 8 weeks from the time the IRS receives your return or the IRS can deposit your refund directly into your bank account in 6 to 8 weeks from the time the IRS receives your return. However, if your return contains Earned Income Tax Credit or Additional Child Tax Credit, the IRS will issue your refund no earlier than February 15, 2021.

You can file your tax return electronically, select the Refund Processing Service ("RPS") for an additional fee of $40.00 (the "RPS fee"), and have your federal income tax refund processed through a processor using banking services of a financial institution. The RPS allows your refund to be deposited into a bank account intended for one-time use at Green Dot Bank ("Bank") and deducts your TurboTax fees and other fees you authorize from your refund. The balance is delivered to you via the disbursement method you select. If you file your tax return electronically and select the RPS, the IRS will deposit your refund with Bank. Upon Bank's receipt of your refund, Santa Barbara Tax Products Group, LLC, a processor, will deduct and pay from your refund the RPS fee, any fees charged by TurboTax for the preparation and filing of your tax return and any other amounts authorized by you and disburse the balance of your refund proceeds to you. Unless there are delays by the IRS, refunds are received in less than 21 days from the time you file your tax return electronically. However, if your return contains Earned Income Tax Credit or Additional Child Tax Credit, the IRS will issue your refund no earlier than February 15, 2021.

The RPS is not necessary to obtain your refund. If you have an existing bank account, you do not need to use the RPS, which requires the payment of a fee, in order to receive a direct deposit from the IRS. You may consult the IRS website (IRS.gov) for information about tax refund processing.

If you select the RPS, no prior debt you may owe to Bank will be deducted from your refund.

You can change your income tax withholdings which might result in you receiving additional funds throughout the year rather than waiting to receive these funds potentially in an income tax refund next year. Please consult your employer or tax advisor for additional details.

This Agreement requires all disputes to be resolved by way of binding arbitration.
The terms of the arbitration provision appear in Section 11.

Information regarding low-cost deposit accounts may be available at www.mymoney.gov .

The chart below shows the options for filing your tax return (e-file or paper return), the RPS product, refund disbursement options, estimated timing for obtaining your tax refund proceeds, and costs associated with the various options.

ELECTRONIC POSTMARK - CERTIFICATION OF ELECTRONIC FILING

Taxpayer: sridhar & vasu gutha
Primary SSN: 577-47-9214

Federal Return Submitted: May 17, 2021 06:06 PM PDT
Federal Return Acceptance Date:

Your return was electronically transmitted on 05/18/2021

The Intuit Electronic Postmark shows the date and time Intuit received your federal tax return. The Intuit Electronic Postmark documents the filing date of your income tax return, and the electronic postmark information should be kept on file with your tax return and other tax-related documentation.

There are two important aspects of the Intuit Electronic Postmark:

1. THE INTUIT ELECTRONIC POSTMARK.
The electronic postmark shows the date and time Intuit received the federal return, and is deemed the filing date if the date of the electronic postmark is on or before the date prescribed for filing of the federal individual income tax return.

TIMELY FILING:
For your federal return to be considered filed on time, your return must be postmarked on or before midnight May 17, 2021. Intuit's electronic postmark is issued in the Pacific Time (PT) zone. If you are not filing in the PT zone, you will need to add or subtract hours from the Intuit Electronic Postmark time to determine your local postmark time. For example, if you are filing in the Eastern Time (ET) zone and you electronically file your return at 9 AM on May 17, 2021, your Intuit electronic postmark will indicate May 17, 2021, 6 AM. If your federal tax return is rejected, the IRS still considers it filed on time if the electronic postmark is on or before May 17, 2021, and a corrected return is submitted and accepted before May 22, 2021. If your return is submitted after May 22, 2021, a new time stamp is issued to reflect that your return was submitted after the IRS deadline and, consequently, is no longer considered to have been filed on time.

If you request an automatic six-month extension, your return must be electronically postmarked by midnight October 15, 2021. If your federal tax return is rejected, the IRS will still consider it filed on time if the electronic postmark is on or before October 15, 2021, and the corrected return is submitted and accepted by October 20, 2021.

2. THE ACCEPTANCE DATE.
Once the IRS accepts the electronically filed return, the acceptance date will be provided by the Intuit Electronic Filing Center. This date is proof that the IRS accepted the electronically filed return.

IMPORTANT DISCLOSURES

If you are owed a federal tax refund, you have a right to choose how you will receive the refund. There are several options available to you. Please read about these options below.

You can file your federal tax return electronically or by paper and obtain your federal tax refund *directly* from the Internal Revenue Service ("IRS") *for free.* If you file your tax return electronically, you can receive a refund check directly from the IRS through the U.S. Postal Service in 21 to 28 days from the time you file your tax return or the IRS can deposit your refund directly into your bank account in less than 21 days from the time you file your tax return unless there are delays by the IRS. If you file a paper return through the U.S. Postal Service, you can receive a refund check directly from the IRS through the U.S. Postal Service in 6 to 8 weeks from the time the IRS receives your return or the IRS can deposit your refund directly into your bank account in 6 to 8 weeks from the time the IRS receives your return. However, if your return contains Earned Income Tax Credit or Additional Child Tax Credit, the IRS will issue your refund no earlier than February 15, 2021.

You can file your tax return electronically, select the Refund Processing Service ("RPS"), and have your federal income tax refund processed through a processor using banking services of a financial institution. The RPS allows your refund to be deposited into a bank account intended for one-time use at Green Dot Bank ("Bank") and deducts your TurboTax fees and other fees you authorize from your refund. The balance is delivered to you via the disbursement method you select. If you file your tax return electronically and select the RPS, the IRS will deposit your refund with Bank. Upon Bank's receipt of your refund, Santa Barbara Tax Products Group, LLC, a processor, will deduct and pay from your refund any fees charged by TurboTax for the preparation and filing of your tax return and any other amounts authorized by you and disburse the balance of your refund proceeds to you. Unless there are delays by the IRS, refunds are received in less than 21 days from the time you file your tax return electronically. However, if your return contains Earned Income Tax Credit or Additional Child Tax Credit, the IRS will issue your refund no earlier than February 15, 2021.

The RPS is not necessary to obtain your refund. If you have an existing bank account, you do not need to use the RPS in order to receive a direct deposit from the IRS. You may consult the IRS website (IRS.gov) for information about tax refund processing.

If you select the RPS, no prior debt you may owe to Bank will be deducted from your refund.

You can change your income tax withholdings which might result in you receiving additional funds throughout the year rather than waiting to receive these funds potentially in an income tax refund next year. Please consult your employer or tax advisor for additional details.

This Agreement requires all disputes to be resolved by way of binding arbitration.
The terms of the arbitration provision appear in Section 10.

Information regarding low-cost deposit accounts may be available at www.mymoney.gov .

The chart below shows the options for filing your tax return (e-file or paper return), the RPS product, refund disbursement options, estimated timing for obtaining your tax refund proceeds, and costs associated with the various options.

	Check mailed by IRS to address on tax return.	Approximately 6 to 8 weeks [3]	
ELECTRONIC FILING (E-FILE) No Refund Processing Service	IRS direct deposit to your personal bank account.	Usually within 21 days [3]	Free

ELECTRONIC FILING (E-FILE) Refund Processing Service	(a) Direct deposit to your personal bank account, or (b) Load to your debit card [1].	Usually within 21 days [3]	Free option with your purchase of a Tax Product [2]

[1] You may incur additional charges from the issuer of the debit card if you select to have your tax refund loaded on a debit card.

[2] This fee consists of a TurboTax Fee, the cost of the Tax Product, and any fees for additional products and services purchased. Note that the cost of the Tax Product may vary depending on the edition of TurboTax purchased. See Section 3 of the Refund Processing Service Agreement on the next page for the cost of the service you have chosen.

Excess Social Security and Tier I RRTA Tax Withheld Smart Worksheet

The calculated amount for Excess social security and tier 1 RRTA tax withheld could include a portion that needs to be removed. When a taxpayer has multiple W-2's, each with the same EIN, excess withholding can only be claimed if the Employer's Name's in box c of the W-2's reflect separate business entities. This could occur when a parent company has multiple subsidiaries, or when a temp agency issues W-2's for distinctly different jobs. If you have multiple W-2's with the same EIN, for the same taxpayer, and for the same job, reduce the amount calculated on Line A below by the excess withholdings from only those W-2's.

A	Total Excess Social Security or Tier I RRTA tax withheld claimed as a credit	0.

Before you check Box A, B, or C below, see whether you received any Form(s) 1099-B or substitute statement(s) from your broker. A substitute statement will have the same information as Form 1099-B. Either will show whether your basis (usually your cost) was reported to the IRS by your broker and may even tell you which box to check.

Part I **Short-Term.** Transactions involving capital assets you held 1 year or less are generally short-term (see instructions). For long-term transactions, see page 2.

Note: You may aggregate all short-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS and for which no adjustments or codes are required. Enter the totals directly on Schedule D, line 1a; you aren't required to report these transactions on Form 8949 (see instructions).

You *must* check Box A, B, *or* C below. Check only one box. If more than one box applies for your short-term transactions, complete a separate Form 8949, page 1, for each applicable box. If you have more short-term transactions than will fit on this page for one or more of the boxes, complete as many forms with the same box checked as you need.

Before you check Box A, B, or C below, see whether you received any Form(s) 1099-B or substitute statement(s) from your broker. A substitute statement will have the same information as Form 1099-B. Either will show whether your basis (usually your cost) was reported to the IRS by your broker and may even tell you which box to check.

Part I **Short-Term.** Transactions involving capital assets you held 1 year or less are generally short-term (see instructions). For long-term transactions, see page 2.

Note: You may aggregate all short-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS and for which no adjustments or codes are required. Enter the totals directly on Schedule D, line 1a; you aren't required to report these transactions on Form 8949 (see instructions).

You *must* check Box A, B, *or* C below. Check only one box. If more than one box applies for your short-term transactions, complete a separate Form 8949, page 1, for each applicable box. If you have more short-term transactions than will fit on this page for one or more of the boxes, complete as many forms with the same box checked as you need.

Before you check Box A, B, or C below, see whether you received any Form(s) 1099-B or substitute statement(s) from your broker. A substitute statement will have the same information as Form 1099-B. Either will show whether your basis (usually your cost) was reported to the IRS by your broker and may even tell you which box to check.

Part I **Short-Term.** Transactions involving capital assets you held 1 year or less are generally short-term (see instructions). For long-term transactions, see page 2.

Note: You may aggregate all short-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS and for which no adjustments or codes are required. Enter the totals directly on Schedule D, line 1a; you aren't required to report these transactions on Form 8949 (see instructions).

You *must* check Box A, B, *or* C below. Check only one box. If more than one box applies for your short-term transactions, complete a separate Form 8949, page 1, for each applicable box. If you have more short-term transactions than will fit on this page for one or more of the boxes, complete as many forms with the same box checked as you need.
