# Credit for Tax Paid to Other States

IL Attachment No. 17

#### Read this information first

You should file Schedule CR if

- you were either a resident or a part-year resident of Illinois during the tax year; and
- you paid income tax to another state on income you earned while you were an Illinois resident; and
- the income subject to the other state's tax is included in your Illinois base income; and
- you did not deduct the income tax paid to the other state when you figured your federal adjusted gross income as shown on your Illinois tax return.

You should not file this schedule if

- you were a nonresident of Illinois during the entire tax year; or
- you did not pay income tax to Illinois and another state.

For purposes of this schedule, "state" means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or political subdivision of any of these (e.g., county, city, local). The term "state" does not refer to any foreign country.

Flore → If you earned income in Iowa, Kentucky, Michigan, or Wisconsin, you may be covered by a reciprocal agreement. This agreement applies only to income from wages, salaries, tips, and other employee compensation. See the Schedule CR Instructions.
