Where's my refund?

Under new legislation effective January 1, 2016 for the 2015 tax year, refunds will not be issued prior to March 1 unless we have received both the employer and the employees required returns.

Enter your SSN or ITIN and **either** your refund amount or Federal Adjusted Gross Income from your most recently filed return.

If you filed an Individual Income Tax Return:

Due to our efforts to protect your identity, please allow 120 days from the date you filed your return or 120 days from March 1, whichever is later to process your return and refund request.

As an Amended Return -We can only show the most recent return information you filed.

Filing electronically and choosing direct deposit will reduce the time to get your refund.

Note: You can only get information on the Individual Income Tax Return for the current filing year.
