IMPORTANT: In most cases, the Franchise Tax Board (FTB) can figure the penalty for you and you do not have to complete this form. See General Information B.

If you meet **any** of the following conditions, you do not owe a penalty for underpayment of estimated tax. **Do not complete or file this form if:**

- The amount of your tax liability (not including tax on lump-sum distributions and accumulation distribution of trusts) less credits (including the withholding credit) but not including estimated tax payments for either 2020 or 2021 was less than \$500 (or less than \$250 if married/RDP filing a separate return).
- Your 2020 return was for a full 12 months (or would have been if you were required to file) and you did not have any tax liability on that return.
- The amount of your withholding plus your estimated tax payments, **if paid in the required installments**, is at least 90% of the tax shown on your 2021 return or 100% of the tax shown on your 2020 return (110% if California adjusted gross income (AGI) was more than \$150,000 or \$75,000 if married/RDP filing a separate return) **and** you are not using the annualized income installment method. Taxpayers with California AGI equal to or greater than \$1,000,000 (or \$500,000 if married/RDP filing a separate return), must use the tax shown on their 2021 tax return if they do not meet one of the two conditions above.

Part III Annualized Income Installment Method Schedule.

Use this schedule ONLY if you earned taxable income at an UNEVEN RATE during 2021 (see Example A). If you earned your income at approximately the same rate each month (see Example B), then you should not complete this schedule. If you choose to figure the penalty, see Worksheet II, Regular Method to Figure Your Underpayment and Penalty, on page 4 of the instructions.

Example A: If you were a commissioned salesperson who earned no income during the first three months of the year, earned most of your income during the following six months, and earned very little during the last three months, you should complete this schedule. You may be able to benefit by using the annualized income installment method. The required installment of estimated tax figured using the annualized method may be less than your required installment figured using the required installment method.

Example B: If you worked all year and earned a monthly salary that did not change much during the year, you should not complete this schedule.

To complete this schedule correctly, you must first complete Side 2, Part II, line 1 through line 6. Estates and trusts, do not use the period ending dates shown to the right. 2021 Form 140PY - Standard Deduction Increase for Charitable Contributions

You must complete this worksheet if you are taking an increased standard deduction for charitable contributions. Include the completed worksheet with your tax return, when filed. If you do not include the completed worksheet, your standard deduction will not be increased.

Taxpayers electing to take the Standard Deduction may *increase* the standard deduction amount by 25% (.25) of the total amount of the taxpayer’s charitable deductions that would have been allowed if the taxpayer elected to claim itemized deductions on the Arizona tax return.

Charitable contributions (lines 1C, 2C, and 3C) are those gifts allowed on federal Form 1040 Schedule A (Gifts to Charity) that you would have claimed had you elected to take itemized deductions on your federal return.

NOTE 1: As a part-year resident filing Arizona Form 140PY, you may only include those charitable contributions that are incurred and paid while an Arizona resident plus the amount of such gifts from Arizona sources incurred and paid during the part of the year while an Arizona nonresident.

NOTE 2: You must reduce your contribution amount by the total charitable contributions you made during January 1, 2021 through December 31, 2021 for which you are claiming an Arizona tax credit under Arizona law for the current tax year return or claimed on the prior tax year return. Enter this amount on line 5C.

NOTE 3: If you itemized deductions on your federal return (1040 Schedule A) and were required to adjust the amount of your allowable contributions on your federal 1040 Schedule A for the amount claimed as a tax credit on your Arizona income tax return, include the amount of the federal contribution adjustment to line 1C and enter the amount of the Arizona tax credit on line 5C.

Complete the worksheet to determine your allowable increased standard deduction for charitable contributions.
