Dear SACHIN,

Thank you for preparing your Pennsylvania State tax return via Sprintax tax prep software. Enclosed are two copies of your 2020 Pennsylvania tax return. Please file one copy with the State and retain the second copy for your records. We have attached instructions detailing how to file your tax return with the Pennsylvania State tax office. Please remember to review, sign and date your filing copy on page 2 before mailing.

#### Tax Summary

<i>Filing status</i>	Single
<i>Pennsylvania adjusted gross income</i>	9275
<i>Pennsylvania taxable income</i>	9275
<i>Tax balance</i>	0

#### What is my Pennsylvania tax balance?

Your return indicates that your balance has been paid in full. You have neither a refund due nor a balance to pay. However, you still must file your tax return with the Pennsylvania State Tax Office. Do not provide a payment with the return.

#### How do I file my tax return?

You must post your Pennsylvania tax return with the required documents (see table 2 on page Pennsylvania State Tax return Checklist) to the address below. Your tax return must be received by May 17th . We recommend you mail your return as soon as possible, using the United States Post Office certified mail service or an approved delivery service that will provide proof of your mailing date, to the following address:

**PA DEPT OF REVENUE  
NO PAYMENT OR NO REFUND  
2 REVENUE PLACE  
HARRISBURG PA 17129-0002  
USA**

If you have any questions, please email us at [hello@sprintax.com](mailto:hello@sprintax.com).

Please consider the following when printing your tax return:

- Standard 8.5" x 11" paper must be used
- Use portrait orientation in printing tax forms
- Do not hand write in any corrections on the printed paper return. Hand writing in corrections will result in capturing incorrect data and delaying the processing of this income tax return. Make any corrections to this income tax return within Sprintax, then print and mail
- Sign the return using black or blue ink

*Sincerely,*

**The Sprintax team**

## Pennsylvania Tax Return Frequently Asked Questions

### **How long will it take to process my Pennsylvania tax return?**

The Pennsylvania Tax office will take approximately 8-12 weeks after receiving your return to process your application.

### **What is the May 17th deadline?**

The May 17th tax deadline is the date by which all tax returns must be filed for the previous year. If you owe the Pennsylvania tax office money and you don't file your tax return by May 17th, the Pennsylvania tax authorities will impose late filing penalties and interest on the amount you owe, so the sooner you apply the better. If you need to file an extension to give you more time to file your return, the extension request must also be submitted by the due date. Extension requests only extend your time to file your return, not to pay your taxes. Make sure your estimated tax liability is paid before the deadline to avoid paying any late payment penalties and interest.

### **What taxes can Sprintax prepare for me?**

With Sprintax, you can prepare your Federal, State, FICA tax returns. Once prepared, you must then sign and submit them yourself to the relevant authorities (as detailed in your instruction pack). Sprintax cannot file any returns on your behalf.

### **Can I use an international tax treaty on my Pennsylvania State tax return?**

No. Pennsylvania State does not honor federal tax treaty agreements with foreign countries that the Internal Revenue Service uses.

You might be allowed employee business expenses on your Pennsylvania tax return. If you paid out of pocket expenses directly related to your employment in Pennsylvania and you did not receive any reimbursements from your employer during 2020, please contact our representative for assistance. Please, note that we might require copies of receipts as a proof.

### **Could I owe money to the State tax authorities?**

Depending on how your employer taxed you and what the actual tax liability under the tax law is, you may owe tax or be due a tax refund. If you have a tax liability or if other particular factors apply, then you have an obligation to file a tax return. Sprintax takes into consideration all of these factors. Remember, if you owe money and don't file your return before the deadline, you'll get penalties and fines added to the amount you owe.
