Form 1098 - Copy B - For Payer/Borrower

The information in boxes 1 through 10 is important tax information and is being furnished to the Internal Revenue Service. If you are required to file a return, a negligence penalty or other sanction may be imposed on you if the IRS determines that an underpayment of tax results because you overstated a deduction for this mortgage interest or for these points, reported in boxes 1 and 6; or because you didn't report the refund of interest (box 4); or because you claimed a non-deductible item.

* Caution: The amount shown may not be fully deductible by you. Limits based on the loan amount and the cost and value of the secured property may apply. Also, you may only deduct interest to the extent it was incurred by you, actually paid by you, and not reimbursed by another person.

Please note, this form will indicate the state where you resided when you received the income, paid the interest expense, or were party to the transaction being reported on this statement. The state identification number and state tax withheld may display on this statement, even if there is a zero amount. Unless state tax was actually withheld from the payment, the line for state tax withheld will reflect "00" and the state identification number may be blank.
