Important: A taxpayer and spouse must complete separate schedules to report their gains or losses or if any amounts are reported on Lines 3 through 10 of PA Schedule D. However, if all the gains and losses were realized on a joint basis, one schedule may be completed. Complete the oval to indicate whether the gains and losses included on the schedule are from the taxpayer, spouse or joint. One spouse may not use a loss to reduce the other spouse's gains. When reporting the sale of jointly owned property that is not reported on a joint PA Schedule D, each must show their share of the sale on their separate PA Schedule D. Read the instructions. Enter all sales, exchanges or other dispositions of real or personal tangible and intangible property, including inherited property. Amounts from Federal Schedule D may not be correct for PA income tax purposes. Nonresidents should read carefully the instructions concerning intangible property. If the result is a loss, fill in the oval next to the line.
