- Colorado nonresidents do not qualify for this credit.
- Part-year residents generally do not qualify for this credit.
- If you have income and/or losses from two or more states, you must separately calculate lines 11 through 17 for each state, regardless of whether any tax was paid on such income. If you do not file electronically, you must submit the DR 0104CR for each state. Then, enter "Combined" on line 10 and complete lines 11 through 17 to disclose the combined total for each line. A summary schedule is not acceptable. The Department strongly recommends electronic filing for taxpayers with credits for more than one state. Failure to file electronically may result in delays processing your return.

Submit a copy of the tax return for each other state when claiming this credit. The portion of the return submitted must include the adjusted gross income calculation, any disallowed federal deductions by that state, and the tax calculation for the other state.
