### **Proceeds from Broker and Barter Exchange Transactions**

2021 Form 1099-B\*

632355863C (continued) 02/07/2022 OMB No. 1545-0715

The following information is being provided to facilitate your review and the preparation of your tax return.

This Form 1099-B – Proceeds from Broker and Barter Exchange Transactions only provides information with respect to cryptocurrency-related transactions in your account with us for the year, and you will receive a separate Form 1099 if you have executed stock or securities trades through Robinhood during the year.

The cryptocurrency sales transactions on this Form 1099-B are not being reported to the IRS as covered securities. As such, certain information such as cost basis is not being transmitted to the IRS and is only provided to you for information purposes. Information which we are not providing to the IRS with Form 1099-B is further detailed in the transactions sections below. Remember, taxpayers are ultimately responsible for the accuracy of their tax returns.

For tax lots whose term is undetermined, you may need to use your historical documents to establish the cost basis and date of purchase. For purposes of providing you with cost basis information and calculating gain or loss, unless otherwise noted, it was assumed that the oldest position was sold first. However, there is no assurance that the IRS will agree with this approach, and you may wish to consult with your tax advisor regarding your reporting of cryptocurrency transactions.

If applicable, we are not reporting your receipt of forked cryptocurrency as sales with this Form 1099-B, and we note that there is substantial uncertainty as to how the receipt of forked cryptocurrency should be treated for tax purposes. For purposes of determining gain or loss on the sale of cryptocurrency that has been subject to a fork or received in a fork, if applicable, and for information purposes, we provide an adjusted cost basis in the cryptocurrency such that the cost basis prior to the fork is apportioned between the original, pre-forked coin and the new, post-forked coins based on the fair market of each coin following the fork event. However, there is no assurance that the IRS will agree with this approach. Again, you may wish to consult with your tax advisor on tax rules relating to cryptocurrency events such as forks and trade transactions, as individual circumstances may vary.
