The following tax information represents a consolidated record of your applicable Fundrise investments for tax year 2021.

The information contained herein pertains only to investments in the Interval Funds and eREITs. If you invested in the Project Payment Dependent Notes, a 1099-INT package was delivered separately. If you hold shares in the Fundrise eFund or other direct equity investments, a Schedule K-1 or Form K-1 will be distributed upon completion, which is anticipated to occur in mid-March 2022.

Please note that we have changed our policy for issuing Forms 1099-DIV. In accordance with IRS regulations, we will no longer issue a Form 1099-DIV if your aggregate distributions from a fund (eREIT or Interval Fund) in the given tax year were less than \$10. This means that you may not receive tax documents for all of the funds in which you hold shares.

If you completed a share transfer in tax year 2021, the cost basis related to your redeemed shares has not been included on your Form(s) 1099-B. Fundrise is only able to track basis pertaining to originally issued shares.

Fundrise strives to provide your Form 1099 tax information as early and as accurately as possible. If Fundrise receives updated information for investments that you held during tax year 2021, we are required by the IRS to send you a CORRECTED Form 1099 with changes clearly highlighted. Please plan your tax preparation accordingly.

Enclosed: Important Official IRS Form(s) 1099

The report in this package contains your income tax return documents and year-end summary. Please retain this package for tax preparation purposes.
