Date: 01/15/2022

Dear **Vasudha Jasti**,

Our Shastras say, **Dharmo Rakshati Rakshitaha** which means, *If you protect the Dharma, the Dharma will protect you.*

Last year when the temple did the Goshala Renovation Project, lot of you came forward and helped the temple. The temple expresses its gratitude for your support for this noble cause. As you are all aware, the temple has re-started the Phase II Project from last year. The sculpting work of the 36FT Bhaktha Anjaneya is 60% complete. The temple hopes to complete the shipping of 36FT Bhaktha Anjaneya to USA by this year. The design work for the Phase II temple is in progress as scheduled. Your contribution in the form of donation and pledge has helped the temple to come this far for the Phase II activities and the temple thanks you all.

**Our Temple has embarked fully on our main goal, that is consecration of 36 FT Bhaktha Anjaneya. Your continued financial support by pledging generously for the next three years, towards this endeavor, is encouraged. Please visit the Temple and our website (sbat.org) for more information.**
