**i You have no balance on your account.**

Shown below are the amounts currently due on the vehicle(s) associated with your personal property account. If the amount due is \$0.00, there are no delinquent taxes on the vehicle(s) and the current year tax has not yet been **billed**.

If you have delinquent vehicle taxes, the amount due through the end of the month will be displayed. If a **DMV Hold** has been placed on your state registration, you will need to add payment of a \$25.00 DMV Hold fee. This fee is per account, not per vehicle. You will be given the option to pay the fee as part of your payment transaction.

You may make **full payment on property taxes** or make a **partial payment on property taxes** by changing the amount in the **"Total for this Property"** box **outlined in red**. You may also place 0.00 in the "Total for this Property" box if you do not wish to make a payment for a particular property. Please note, the full amount of current year tax must be paid by the due date to avoid penalties.

For delinquent taxes, only payment in full will lift DMV restrictions and delinquent accounts remain subject to collection efforts as allowed by law (**payments will be applied to the oldest account first; Va. Code 58.1-3913**).

If you would like to see more detailed billing information, please enroll or sign-in to the [MyFairfax Portal](#).
