Electronic filers: If you are filing electronically, select the indicator for Form CT- 2210 on your Connecticut income tax return. Complete Form CT-2210 and upload as an attachment.

Paper filers: Check the box for Form CT-2210 on the front of your Connecticut income tax return. Place this form at the back of your completed Connecticut income return.

Purpose: Filers of Forms CT-1040, Connecticut Resident Income Tax Return, CT-1040NR/PY, Connecticut Nonresident and Part-Year Resident Income Tax Return, and CT-1041, Connecticut Income Tax Return for Trusts and Estates, who underpaid their estimated Connecticut income tax may use this form to calculate the amount of interest due or to lower or eliminate interest that would otherwise apply.

My Taxes Are Underpaid: In general, if you do not make timely installments of your required annual payment and the balance of your Connecticut income tax is \$1,000 or more, you will be charged interest on the underpaid amount. In determining if the balance of your Connecticut income tax is \$1,000 or more, any Connecticut income tax withheld and any Pass-Through Entity Tax Credits (PE Tax Credits) you are eligible to claim must first be applied against the total Connecticut income tax due. If the result is less than \$1,000, you are not subject to interest on the underpayment.

Your required annual payment is the lesser of:

- 90% of the income tax shown on your 2022 Connecticut income tax return; or
- 100% of the income tax shown on your 2021 Connecticut income tax return if you filed a 2021 Connecticut income tax return that covered a 12-month period.

If either of the following applies to you, you are not subject to interest on the underpayment. You must check Box F or G in Part 1 below and attach this page to your Connecticut income tax return:

- You were a Connecticut resident during the 2021 taxable year and did not file a 2021 Connecticut income tax return because you had no Connecticut income tax liability; or
- You were a part-year resident or nonresident with Connecticut-sourced income during the 2021 taxable year but did not file a 2021 Connecticut income tax return because you had no Connecticut income tax liability.

If you were a Connecticut part-year resident or nonresident in 2021 and you did not have Connecticut-sourced income during the 2021 taxable year, you must use 90% of the income tax shown on your 2022 Connecticut income tax return as your required annual payment.

Interest: You may be charged interest if you did not pay enough tax through withholding, estimated tax payments, or both, by the installment due dates or if any PE Tax Credit reported to you on **Schedule CT K-1**, Member's Share of Certain Connecticut Items, Part 3, Line 1; or **Schedule CT-1041 K-1**, Beneficiary's Share of Certain Connecticut Items, Part 4, Line 1, is not sufficient to cover your tax liability. This is true even if you are due a refund when you file your tax return. Interest is calculated separately for each installment. Therefore, you may owe interest for an earlier installment even if you paid enough tax later to

make up the underpayment. Overpayment of any estimated tax will be credited against any future installment.

Interest on the underpayment of estimated income tax, at 1% per month or fraction of a month, will continue to accrue until the earlier of April 15, 2023, or the date on which the underpayment is paid.

A taxpayer who files his or her income tax return for the taxable year on or before January 31, 2023, and pays the total amount computed on the return as payable for the taxable year, does not have to pay the January 15, 2023, estimate and will not incur interest on the underpayment of estimated income tax for the fourth required installment. Do not complete *Schedule B*, Worksheet D, if you file your income tax return and pay the tax amount in full by January 31.

Farmers or fishermen who file Forms CT-1040, CT-1040NR/PY, or CT-1041 for the taxable year on or before March 1, 2023, and pay the total amount computed on the return as payable for the taxable year, do not have to pay the January 15, 2023, estimate, which is the only estimate required, and will not incur interest on the underpayment of estimated income tax. See *Special Rules for Farmers and Fishermen* at portal.ct.gov/DRS/Individuals/Individual-Income-Tax.

Name and Identifying Number

Individuals: Enter in the space provided at the top of the form your name and Social Security Number (SSN) as it appears on your Connecticut income tax return. If you filed a joint return, also enter your spouse's name and SSN.

Trusts and Estates: Enter the name of the trust or estate and the name of the fiduciary as it appears on Form CT-1041 in the space provided at the top of the form. Also enter the Federal Employer Identification Number of the trust or estate.

Generally, the rules above also apply in determining whether a Connecticut resident trust or estate, a nonresident trust or estate, or a part-year resident trust has made the required annual payment.

Except as provided below, a trust created in 2022 must use 90% of the income tax shown on the 2022 Form CT-1041, as the required annual payment.

Exceptions

Decedent's Estates: For any taxable year ending before the date that is two years after a decedent's death, the decedent's estate is not required to make estimated payments and no underpayment interest will be charged.

Certain Grantor Trusts: For any taxable year ending before the date that is two years after a decedent's death, a trust is not required to make estimated payments and no underpayment interest will be charged if:

- The trust was created under IRC §§ 671 through 679, inclusive, as owned by the decedent and will receive the residue of the decedent's estate under the will; or
- If no will is admitted to probate, the trust is primarily responsible for paying debts, taxes, and expenses of administration.

- ☐ E. You cannot use the prior year tax liability as a basis for your required annual payment. See instructions on Page 7.
