Before you check Box D, E, or F below, see whether you received any Form(s) 1099-B or substitute statement(s) from your broker. A substitute statement will have the same information as Form 1099-B. Either will show whether your basis (usually your cost) was reported to the IRS by your broker and may even tell you which box to check.

**Part II Long-Term.** Transactions involving capital assets you held more than 1 year are generally long-term (see instructions). For short-term transactions, see page 1.

**Note:** You may aggregate all long-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS and for which no adjustments or codes are required. Enter the totals directly on Schedule D, line 8a; you aren't required to report these transactions on Form 8949 (see instructions).

You *must* check Box D, E, or F below. Check only one box. If more than one box applies for your long-term transactions, complete a separate Form 8949, page 2, for each applicable box. If you have more long-term transactions than will fit on this page for one or more of the boxes, complete as many forms with the same box checked as you need.

**(D)** Long-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS (see **Note** above)

[] (E) Long-term transactions reported on Form(s) 1099-B showing basis wasn't reported to the IRS
