As of the closing date of this statement, the annual percentage yield (APY) for customers enrolled in the brokerage cash sweep program is 1.50% for customers who are not subscribed to Robinhood Gold, or 4.00% for Robinhood Gold subscribers. Program banks pay interest on your swept cash, minus any fees paid to Robinhood. Neither Robinhood Financial LLC nor any of its affiliates are banks. Investment products are not FDIC-insured, not bank guaranteed, and may lose value. Uninvested cash swept to the program banks is eligible for FDIC insurance up to applicable limits, subject to FDIC rules. The Securities Investor Protection Corporation has taken the position that uninvested cash swept to the program banks is not covered by the Securities Investor Protection Act.

Important Information

Robinhood Securities, LLC (“RHS”) carries your account as the clearing broker by arrangement with your introducing broker-dealer, Robinhood Financial LLC (“RHF”). If this is a margin account and we maintain a special miscellaneous account for you, this is a combined statement of your general account and special miscellaneous account maintained for you under Regulation T issued by the Board of Governors of the Federal Reserve System. The permanent record of the special miscellaneous account as required by Regulation T is available for your inspection at your request.

The per annum rate of interest charged on debit balances in your account is shown on this statement. This rate may change from time to time in accordance with fluctuations in interest rates. Interest is computed from the 1st day of the month to the last day of the month. The interest is based on the average daily balance in your account with us, and for the actual number of days based on an interest year of 360 days. When calculating margin interest, free credit balances in all accounts will be offset against any debit in the margin account and the interest will be charged on the new debit balance.

We are required to report to the Internal Revenue Service all cash dividends and interest credited to your account on securities held for you in our name. All dividends and interest credits should be included in your income tax return.

Information relative to fees and any other charges incurred in connection with listed option transactions occurring during the month has previously been furnished to you in confirmation of such transactions. A summary of the information will be made available to you promptly upon request. Exercise assignment notices for option contracts are allocated among customer short positions pursuant to a manual procedure which randomly selects from amongst all customer short option positions including those contracts which are subject to exercise. All short American style option positions are liable for assignment at any time whereas European style options are assigned at expiration. A more detailed description of our random allocation procedure is available upon request.

You are to promptly advise Robinhood of any material changes concerning your investment objectives or financial situation by updating your information using the Robinhood platform or by contacting help@robinhood.com.

RHS is a Member of SIPC, which protects securities customers of its members up to \$500,000 (including \$250,000 for claims for cash). Explanatory brochure available upon request or at www.sipc.org.

Any free credit balances represent funds payable upon demand which, although properly accounted for on our books and records, is not segregated, and may be used in the conduct of this firm’s business as permissible under the SEC Rule 15c3-2.

Notice to Customers

RHS acts as clearing agent for your trades. Your account, which was introduced to us by RHF, is established under your name on a “fully disclosed” basis at RHS. You remain a customer of RHF.

As required, under SEC rules, both the RHF and RHS Order Routing Reports as well as information regarding specific order routing information is available free of charge upon request.

As a clearing agent, RHS provides securities clearance and may provide order execution based on RHF instructions. RHS will not be involved with or have any responsibility for decisions regarding securities transactions in your account. RHF will be responsible for opening, approving and monitoring all activities in connection with your account. The entry of orders and any instructions regarding the deposit or withdrawal of securities or monies should be made through RHF.

In addition to the above mentioned services, RHS will provide cashing services, safeguarding of funds and securities while in our possession, monitoring compliance with applicable credit Regulation T and RHS internal policies, preparing and making accessible your account records (including transaction confirmations and periodic statements of your account).

The dividend totals reflected in the Income and Expense Summary are inclusive of both taxable and non-taxable dividends.

Interest charges to your account may be based on the size and net debit balance during the interest period. These rates are subject to revision with appropriate notice. For more complete information regarding interest charges to customers, consult the RHF Fee Schedule, available at <https://rbnhd.co/fees>.

We also offer Robinhood Cash Management as an additional feature of your account. Robinhood Cash Management includes debit card access to your account and automatic sweep of uninvested cash to bank deposits. If you participate in Robinhood Cash Management, your use of the debit card, and your rights with respect to debit card transactions, will be governed by the Robinhood Debit Card Agreement, which has been provided to you and is available at <https://rbnhd.co/debit-card-agreement>.

In case of errors or questions about your electronic transfers, including your debit card transactions, or if you think your statement or receipt is wrong or if you need more information about a transaction listed on the statement or receipt, email Robinhood at help@robinhood.com. Robinhood must hear from you no later than sixty (60) days after you were sent the FIRST statement on which the problem or error appeared.

- A. Tell RHF your name and account number.
- B. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- C. Tell RHF the dollar amount of the suspected error.

RHF will investigate your complaint and will correct any error promptly. If we take more than ten (10) business days to do this, RHF will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes RHF to complete our investigation.

If you participate in Robinhood Cash Management, your uninvested cash is swept into accounts at FDIC-insured program banks, where your uninvested cash will earn interest from the program banks and be eligible for FDIC insurance up to applicable limits, subject to FDIC rules. Please see the Robinhood Securities, LLC & Robinhood Financial LLC Insured Network Deposit Sweep Program Disclosures, available at <https://rbnhd.co/ind-disclosure>, for the terms and conditions of this sweep program, including information regarding FDIC insurance coverage.

The SEC requires all broker-dealers that route orders in equity securities and options to make available quarterly reports that present a general overview of their routing practices. The reports must identify the significant venues to which customer orders were routed for execution during the applicable quarter and disclose the material aspects of the broker-dealers relationship with such venues. In addition, the Rule (SEC Rule 606) requires broker-dealers to disclose, upon customer request, the venues to which the individual customer’s orders were routed for the six months prior to the request, and the execution time for the orders that were executed. For further information, please contact RHF.

All trade confirmations are transmitted on or about the transaction date. If you participate in the Dividend Reinvestment Plan program details concerning the reinvestment of dividends will be included on your monthly statements. RHS will act as agent in having your DRP purchases executed.
