Important information about filing your 2022 federal tax return

## We assigned you an Identity Protection Personal Identification Number

### Your assigned IP PIN is 779904

Use this IP PIN when filing any Forms 1040 during the calendar year beginning in January.

If you don't use your IP PIN, we could reject your tax return or delay processing.

You don't need to file a Form 14039, Identity Theft Affidavit, to notify us you are a victim of identity theft.

### What you need to do

- Keep this letter in a safe place. You'll need it to prepare your tax return.
- When you file your federal tax return, enter the IP PIN in the correct place:
  - If filing electronically, your tax software or preparer will tell you when and where to enter it.
  - If filing a paper return, enter your IP PIN in the box marked "Identity Protection PIN".
- Even if you don't have to file a tax return, your account is still protected from fraudulent filing.

### What to Remember about your IP PIN

Use this IP PIN to confirm your identity on your current tax return and any prior year returns filed during the calendar year.

Keep your number private and don't give it to anyone other than a tax professional filing your tax return.

### If you misplace your IP PIN

- Go to [www.irs.gov/ipinfo](http://www.irs.gov/ipinfo).
- You can call us at 800-908-4490 (Monday-Friday, 7:00 a.m. -- 7:00 p.m. local time; Alaska and Hawaii follow Pacific time).

### Additional information

Visit [www.irs.gov/cp01a](http://www.irs.gov/cp01a) for more information on your notice.

The IRS recognizes that identity theft is a serious issue and we're committed to helping taxpayers affected by it.

The IRS doesn't initiate contact with taxpayers by email, text messages, or social media channels to request personal or financial information. This includes requests for PIN numbers, passwords, or similar access information for credit cards, banks, or other financial accounts.
