## Bright Funds 2022 Donation Overview

This is an overview of your 2022 giving on Bright Funds. For your tax reporting, transaction receipts are emailed to you after your contributions are made. Please consult with your tax adviser if you have any questions about the deductibility of donations. Note, this report does not include donations made with credits or matching from your employer, as those are not applicable to your personal tax deductions.

### Donations received and receipted by Bright Funds Foundation

All donations made through the Bright Funds platform are made directly to Bright Funds Foundation, a U.S. public charity (EIN 46-2109112), then distributed to nonprofits. As a result, all donors will receive a donation receipt from a U.S. charity (even if the donation is directed to a nonprofit outside of the U.S.). Receipts include the amount charged as processing costs. No goods or services were provided in return for your contribution.

For US taxpayers, your donation to Bright Funds Foundation is deductible to the fullest extent provided by law. The deductibility of donations made by non-US taxpayers is determined by tax laws applicable to the donor's local jurisdiction.

### Transaction details

This is a record of your transactions on the Bright Funds platform. For your tax reporting, individual transaction receipts are emailed to you after your contributions are made. For transaction receipts, please contact Bright Funds Foundation (for U.S. taxpayers). Note that the receipt amount for donations to non-U.S. charities may be lower than the donation amount, due to processing fees charged.
