SUMMARY COLUMN DEFINITIONS

Processed Amount YTD: The totals may be delayed based on processing times (for ex. Recurring payroll deductions, if applicable). For payroll deductions, this value updates as soon as we confirm the money has been deducted from your paycheck. Please see the transactional detail for specific check status of your donation, if applicable.

Estimated Annual Amount: When scheduling a recurring payroll deduction, we do our best to estimate the annual total based on the pay periods remaining vs. the date your pledge was created. The estimated amount may differ from the actual processed amount based on pay periods, processing times, etc. For tax purposes, please compare directly to your wage summary statement for accurate substantiation.

Processing Partner: Our charitable Processing Partners help to facilitate delivery of donations to employee designated non-profit organizations. Each YourCause Processing Partner offers unique capabilities and is selected because of their

ability to fulfill program needs. For donations listed with a Processing Partner of 'Other', please refer to your individual donation record or emailed receipt.
