

Tax report for  ▾

1 Jan 2022 to 31 Dec 2022 (-0500) ⓘ

## ⚠ Review needed

We have assumed a cost of zero for some assets that were sold for **\$731.23**. You can review your wallets to fix this (optional) or ignore this warning and submit your tax reports with the zero cost basis (this is allowed by tax authorities). [Learn more](#)

These wallets contain unresolved issues:

1. [Cosmos \(ATOM\)](#), added 6 months ago
2. [Osmosis \(OSMO\)](#), added 6 months ago

Your gains for this period

-\$7,277.39

Do I need to file taxes? >

## Summary

Koinly needs your full transaction history (fiat → crypto → crypto → fiat) in order to calculate your tax reports correctly. The transactions used in this report are summarized below.

1485 transactions 1156 deposits 140 withdrawals 170 trades 13 transfers

Capital gains / P&L ⓘ	-\$7,277.39
Other gains (futures, derivatives etc) ⓘ	\$0.00
Income ⓘ	\$3,868.63
Costs & expenses ⓘ	\$3.99
Gifts, donations & lost coins ⓘ	\$0.00

Note: This is just an indication of your taxable gains. Download a Tax Report to see your short/long-term proceeds, cost-basis, disposals and detailed calculations that you can use in your official tax returns.

## Settings

These settings are used to calculate your gains. To change any of these click [here](#)
