Dear Casino Guest:

We received your request for Tax information concerning your gaming history for 2021

One of the many benefits of using your Choctaw Players Club card is the ability to obtain a summary of your gaming history when your card is used. Always striving to improve our customer service, this year's Gaming History Statement provides information compiled from each of our locations where you played and where the players club was available. **PLEASE REMEMBER THAT THIS INFORMATION ONLY REPRESENTS DATA WHEN YOUR PLAYER'S CLUB CARD WAS IN USE.**

The report shows your Total win or (loss) reflected in our player rating system for the period requested. The jackpot total includes jackpots won only while your player's club card was in use and may not represent the total amount of jackpot winnings reported to the IRS on form W2G. A W2G report, if applicable has been enclosed for comparison to your records.

**Casino Federal Identification # 73-0717979**

The Choctaw player tracking system is a marketing tool and therefore we make no representation as to either the accuracy of this information or its effectiveness as proof of losses. The IRS recommends keeping a diary of your gaming activity with such pertinent information as dates, slot machine or table numbers, jackpots, and total wins and losses. For specific information on tax return preparation and IRS requirements, please consult your tax advisor.

***Does this reflect my total losses?***

The Gaming History Statement only reflects the gaming play when a Choctaw Players Club card was inserted correctly into the slot machine.

Just like with our marketing programs, there are substantial benefits in always using your Choctaw Players Club card.

***How to read the Annual Activity Report***

Dollars In reflects the total amount wagered on a machine

Dollars Out reflects the total amount won on a machine

Att Pd. Payout reflects the total amount of taxable jackpots won a machine, while player club was in use

Adjusted Win/Loss reflects your total win (positive number) or loss (loss is shown in parentheses)

Thank you for choosing Choctaw Casinos.

If you need any additional information or have any questions please call 580-642-9425. We will be happy to assist you.

The estimated win/loss is based upon information provided by Choctaw player tracking system. This does not include any activity when the Choctaw Player Club card is not inserted properly in the card reader. This player tracking system is a marketing tool and, therefore, we make no representation as to either the accuracy of this information or its effectiveness as a proof of losses. The IRS recommends keeping a diary of your gaming activity with such pertinent information as dates, slot machine or table numbers, jackpots, and total wins and losses. For specific information on tax return preparation and IRS requirements, please consult your tax advisor.
