Resident agrees to pay all charges assessed directly by the designated Utility Billing Service if applicable, including a one-time set up charge and a monthly administrative fee. Resident with acoustical ceiling material or ceiling tiles agrees to report any ceiling leaks to Management promptly.

Management does or does not have knowledge of asbestos.

DISCLOSURE OF INFORMATION ON LEAD-BASED PAINT & LEAD BASED PAINT HAZARDS: Housing built before 1978 may contain lead-based paint. Lead from paint, paint chips, and dust can pose health hazards if not taken care of properly. Lead exposure is especially harmful to young children and pregnant women. "Smoking" means inhaling, exhaling, breathing, or carrying any lighted cigar, cigarette, or other tobacco product or similar lighted product in any manner or in any form. Resident may not smoke anywhere in the designated smoke-free areas, described in the Lease Term section. Resident must inform Resident's guests or invitees of the no-smoking policy. Other residents of the Property are third-party beneficiaries of this Agreement provision (your smoke-free obligations and restrictions are made to benefit other Property residents as well as to us.) A resident may sue another resident for an injunction to prohibit smoking or for damages, but not evict another resident. Management will have the right, but not the obligation, to enforce your smoke-free obligations. A material breach of your smoke-free obligations will be a material breach of the Agreement and grounds for immediate termination of this Agreement and your tenancy. Management does not guarantee or warranty the smoke-free condition of the designated smoke-free areas or the health of Resident. Management makes no implied or express warranties that the Premises or Property will have higher air quality standards than any other areas. The success of our efforts to make the designated areas smoke-free is dependent upon voluntary compliance by you and others. Furthermore, Management reserves the right to change or eliminate our smoke-free policy in the future. You acknowledge that current residents may not be under the same smoke-free restrictions.

Unless otherwise stated, Resident must—for 24 hours a day during freezing weather—(1) keep the Premises heated to at least 50 degrees; (2) keep cabinet and closet doors open; and (3) drip hot and cold water faucets. To be operating properly, the alarm will sound when the button is pushed. If there is no sound, the Resident must inform the office and/or maintenance staff in writing of any deficiencies immediately. It is agreed that the Premises smoke detector was tested by Management at the time of initial occupancy of Resident and was in good working order. Management reserves the right to seek verification of a disability and disability related need for the requested accommodation (unless the disability and need are readily apparent). If the disability and disability-related need for the accommodation are verified (or are readily apparent), Management will grant the request unless doing so will impose an undue hardship, including an undue financial or administrative burden, or will substantially change the nature of the program that the property offers. Any person who believes that an accommodation request was improperly denied is encouraged to address those concerns to the Community Manager.

REASONABLE MODIFICATIONS: Reasonable modifications involve physical changes to the premises that are reasonably necessary to provide a person with a disability an equal opportunity to use and enjoy a dwelling or the common areas. Management further agrees that such assistive animals are not subject to Management's rules regarding pet deposits and pet rent. Owners of service or assistive animals are required to take responsibility for their animals and follow reasonable rules of conduct and are liable for any damages caused to the property or to other persons by their assistive animals. If Resident desires to keep an assistive animal, Resident must contact Management to request an accommodation pursuant to its reasonable accommodation policy. Management requests that all accommodation requests are put in writing, however oral requests will be considered.

CONSTRUCTION: Potential inconveniences associated with construction may occur, it is agreed that the Rent specified in the Rental Agreement is fair and reasonable while construction is taking place. Resident agrees that any inconvenience caused by ongoing construction will not provide an offset to rental obligations, or be the basis for a complaint against us for rent relief, or any other claim, right or remedy against the Management, including constructive eviction. Although an estimated completion date may be specified, there is no guarantee of the actual construction completion date.

TEMPORARY RELOCATION: Resident agrees, at the request of the Management to temporarily vacate the Premises for a reasonable period and for reasonable purpose, including fumigation, testing/inspection, or repairs. Furthermore; if Management believes that fire or catastrophic damage is substantial, or that performance of needed repairs poses a danger to Residents or Occupants, Management may terminate this Lease by providing written notice. Management may also remove personal property if it causes a health or safety hazard. If the Lease is so terminated, Management shall refund prorated rent and all deposits, less lawful deductions.

PETS & ANIMALS: Animals (except for assistive animals) are prohibited, even temporarily, in the Community unless the Management and Resident execute Management's standard form animal addendum. RESIDENT SAFETY: It is a fact that no security measures can provide protection against crime at every location at every moment of the day or night and even elaborate security systems are subject to mechanical malfunction, tampering, human error or personnel absenteeism, and can be defeated or avoided by criminals. Therefore, Residents and occupants should not rely on such systems and should always proceed on the assumption that no security system exists. Residents and occupants should make no other assumptions regarding security. The best safety measures are those precautions that can be performed as a matter of common sense and habit. Resident represents that Resident will not rely upon any security measures taken by Management, including the alarm, for Resident's personal security; and Resident will call the local law enforcement authority in the event of any security needs and will call 911 or any other applicable emergency number in the event of an emergency. COLLECTIONS: Owner may report unpaid amounts to credit agencies. If Resident is in default and the lease is terminated early, Resident shall be responsible for any amounts due to the Owner. including but not limited to stated to be rental discounts or concessions agreed to in writing, in addition to other sums due. Upon Residents default, Owner shall have all other legal remedies, including Lease termination and statutory lockout under Section 92.0081, Texas Property Code, except as lockouts and liens are prohibited by Section 2306.6736, Texas Government Code, for owners supported by housing tax credit allocations. A prevailing party may recover reasonable attorneys' fees and all other litigation costs from the non-prevailing parties, except a party may not recover attorneys' fees and litigation costs in connection with a party's claims seeking personal injury, sentimental, exemplary or punitive damages. Owner may recover attorney's fees in connection with enforcing Owners rights under this Lease. Resident agrees that late charges are liquidated damages and a reasonable estimate of such damages for Owners time, inconvenience, and overhead associated with collecting late rent (but is not for attorneys' fees and litigation costs). All unpaid amounts you owe, including judgments, bear 18% interest per year from due date, compounded annually. Resident must pay all collection-agency fees if Resident has failed to pay all sums due within 10 days after Owner has provided a letter demanding payment and stating that collection agency fees will be added if Resident has not paid all sums due by the deadline stated.

OTHER REMEDIES: Owner may report unpaid amounts to credit agencies. If Resident defaults, Resident shall be required to pay Owner any amounts stated to be rental discounts or concessions agreed to in writing, in addition to other sums due. under Section 92.0081, Texas Property Code, except as lockouts and liens are prohibited by Section 2306.6736, Texas Government Code, for owners supported by housing tax credit allocations. A prevailing party may recover reasonable attorneys' fees and all other litigation costs from the non-prevailing parties, except a party may not recover attorneys' fees and litigation costs in connection with a party's claims seeking personal injury, sentimental, exemplary or punitive damages. Owner may recover attorney's fees in connection with enforcing rights under this Lease. Resident agrees that late charges are liquidated damages and a reasonable estimate of such damages for Owners time, inconvenience, and overhead associated with collecting late rent (but is not for attorneys' fees and litigation costs). All unpaid amounts owed, including judgments, bear 18% interest per year from due date, compounded annually. Resident must pay all collection-agency fees should Resident fail to pay all sums due within 10 days after Owner has provided a letter demanding payment and stating that collection agency fees will be added if all sums are not paid by the deadline stated. You will be liable for charges related to delivery of notices for lease violations or unpaid rent (not to exceed \$100 per occurrence).

FAILURE TO PAY FIRST MONTHS RENT: If Resident fails to pay the first month's rent when or before the Lease begins, all future rent may be accelerated without notice and immediately due. In addition Owner may end Residents right of occupancy and recover damages, future rent, reletting charges, attorneys' fees, court costs, and other lawful charges. Owner's rights, remedies, and duties under default apply to acceleration under this paragraph.

NON-SUFFICIENT FUNDS/DECLINED PAYMENT FEE: If Resident fails to have sufficient funds available to support a transaction drawn upon an account (e.g., bounced check, rejected ACH transaction) or should Resident stop payment upon or issue a cancellation of such a transaction after it has been tendered to Management, Resident agrees to pay to Management a fee for the rejected transaction. Resident is notified that the expected Fee for such an event will be **\$125.00**.

CONCESSION REPAYMENT (If Applicable): If the Lease terms are not fulfilled by the Resident, the total amount of all concessions received shall be due immediately and considered RENT. This will be in addition to any other termination amount, fees, or other applicable costs stated in the Lease Agreement. Resident understands and acknowledges liability for concession repayment, in addition to any other amounts or fees owed if the Lease Agreement is not fulfilled. Resident understands and acknowledges liability for concession repayment, in addition to any other amounts or fees owed if the Lease Agreement is not fulfilled. Resident understands and acknowledges liability for concession repayment, in addition to any other amounts or fees owed if the Lease Agreement is not fulfilled.

ACCELERATION: All monthly rent for the rest of the Lease term or renewal period may be accelerated, at our discretion, and be immediately due and delinquent if, without Owners written consent: (1) Resident moves out, removes property in preparing to move out, or give oral or written notice (by Resident or Co-Resident) of intent to move out before the Lease term or renewal period ends; and (2) Resident has not paid all rent for the entire Lease term or renewal period. Such conduct is considered defaults for which Owner need not give you notice. Remaining rent also will be accelerated if you're judicially evicted or move out when we demand because you have defaulted. Acceleration is subject to Owners mitigation obligations below.

MOVEOUT NOTICE AND PROCEDURE: Residents must provide Management with advance written notice prior to move out. Resident's move-out notice will not constitute a release of liability for the full term of the Lease or renewal term. Resident shall continue to be liable for the entire Lease term should resident move out early unless under the circumstance of exercising a legal right of termination under this lease or applicable law. **MOVE-OUT NOTICE MUST COMPLY WITH EACH OF THE FOLLOWING:**

- a) Management must receive written notice of Residents intent to move out at least 60 days prior to the move-out date, even if the Lease has become a month-to-month lease. If a move-out notice is received on the first, the notice shall be deemed sufficient for move-out on the last day of the month of intended move-out, provided that all other requirements below are met:
- b) Move-out notice must be in writing. Oral move-out notice will not be accepted and will not terminate this Lease.
- c) Your move-out notice must not terminate the Lease sooner than the end of the Lease term or renewal period.

NOTICE IS NOT ACCEPTABLE IF IT DOES NOT COMPLY WITH ALL OF THE ABOVE. Owner recommends you use our written move-out form to ensure you provide the information needed. Resident must obtain written acknowledgement Management has received the move-out notice. Should Management terminate the Lease, Management shall provide the same advance notice—unless you are in default.

The move-out date can't be changed unless Management and Resident both agree in writing. Resident is in default if move out occurs prior to the Lease term or renewal period end date, unless all rent for the entire Lease term or renewal period is paid in full. Early move-out may result in reletting charges and acceleration of future rent as stated in the acceleration clause above. Resident shall not stay beyond the date scheduled for move out. All Residents, guests, and occupants must surrender or abandon the apartment before the 30-day period for deposit refund begins. Resident must provide Owner and the U.S. Postal Service, in writing, each resident's forwarding address.

Residents must thoroughly clean the apartment, including doors, windows, furniture, bathrooms, kitchen appliances, patios, balconies, garages, carports, and storage rooms. You must follow move-out cleaning instructions. If not cleaned adequately, Resident shall be liable for reasonable cleaning charges--including charges for cleaning carpets, draperies, furniture, walls, etc. that are soiled beyond normal wear (that is, wear or soiling that occurs without negligence, carelessness, accident, or abuse).

You should meet with a Management representative for a move-out inspection. The Representative has no authority to bind or limit deductions for repairs, damages, or charges. Any statements or estimates by Management or our representative are subject to our correction, modification, or disapproval before final refunding or accounting.

ENTRY: Owner shall have the right to enter the Premises for any reasonable business purpose during reasonable business hours. No prior notice or appointment is required; however, if Resident is not present, Owner shall leave written notice of entry in a conspicuous place in the apartment immediately after the entry.

RENT INCREASE AND LEASE CHANGES: No rent increases or Lease changes are allowed before the initial Lease term ends, except for changes allowed by any special provisions in estoppels, by a written addendum or amendment signed Resident and Management. Unless acceptable notice is given by Resident or Management, this lease will automatically continue on a month-to-month basis with the increased rent or Lease changes. The new modified Lease will begin on the date stated in the notice (without necessity of your signature).

HOLDOVER: Resident, occupants, invitee, or guests must not hold over beyond the date stated on the move-out notice, if the apartment is occupied beyond the agreed upon written date, this will be considered a holdover. If a holdover occurs, the following terms will apply: (1) holdover rent will become due in advance on a daily basis and may become delinquent without notice or demand; (2) rent for the holdover period will be increased by 25% over the then-existing rent, without notice; (3) Resident shall be liable to Owner (subject to our mitigation duties) for all rent for the full term of the previously signed lease of a new resident who cannot occupy because of the holdover; and (4) at the Owners option, Management may extend the lease term--for up to one month from the date of notice of Lease extension by delivering written notice to Resident while holdover is continued.

ANIMALS: Animals (except for assistive animals) are prohibited, even temporarily, in the apartment community unless the Owner and Resident execute Owner's standard form animal addendum. If you violate the animal restrictions of this paragraph or other animal rules, you will pay an initial charge of **\$100.00** per animal (not to exceed \$100 per animal) and a daily charge of **\$10.00** per animal (not to exceed \$10 per day per animal) from the date the animal was brought into your apartment until it is finally removed. We will also have all other remedies for such violation.

EVICTION: Should Resident default or holdover, Owner may end the Residents right of occupancy by delivering a 24-hour written notice to vacate. Notice may be by: (1) regular mail; (2) certified mail, return receipt requested; (3) personal delivery to any resident; (4) personal delivery at the apartment to any occupant over 16 years old; or (5) affixing the notice to the inside of the apartment's main entry door. Notice by mail only will be considered delivered on the earlier of: (1) actual delivery, or (2) three days (not counting Sundays or federal holidays) after the notice is deposited in the U.S. Postal Service with postage. Termination of your possession rights or subsequent reletting does not release Resident from liability for future rent or other Lease obligations. After providing notice to vacate or filing an eviction suit, Owner may elect to accept rent or other sums due; the filing or acceptance does not waive or diminish Owner's right of eviction, or any other contractual or statutory right. Accepting money at any time does not waive Owners right to damages; past or future rent or other sums; or to continue with eviction proceedings.

AIR CONDITIONING & UTILITIES: Owner may turn off equipment and interrupt utilities as needed to avoid property damage or

to perform work. If utilities malfunction or are damaged by fire, water, or similar cause, Resident must notify our representative immediately. Air conditioning problems are normally not emergencies. If air conditioning or other equipment malfunctions, Resident must notify Owner as soon as possible on a business day. Management will act with customary diligence to make repairs and reconnections, taking into consideration when casualty insurance proceeds are received. Rent will not abate in whole or in part.

SECURITY DEVICES: Texas law requires, with some exceptions, that we must provide at no cost to Resident when occupancy begins: (1) a window latch on each window; (2) a door viewer (peephole) on each exterior door; (3) a pin lock on each sliding door; (4) either a door handle latch or a security bar on each sliding door; (5) a keyless bolting device (deadbolt) on each exterior door; and (6) either a keyed doorknob lock or a keyed deadbolt lock on one entry door. Keyed lock(s) will be rekeyed after the prior resident move outs. The rekeying will be done either before you move in or within 7 days after you move in, as required. If Owner fails to install or rekey security devices as required by law, Resident has the right to do so and deduct reasonable cost from the next rent payment under Section 92.165(1), Texas Property Code.

Subject to some limitations, under Texas law Resident may at any time ask Management to: (1) install one keyed deadbolt lock on an exterior door if not available; (2) install a security bar on a sliding glass door if it does not currently equipped; and (3) change or rekey locks or latches. Owner shall comply with the request. However Resident must pay applicable cost associated with the request. Subject to statutory restrictions on what security devices Resident may request, Resident is now requesting us to install or change at your expense:

Owner will pay for missing security devices that are required by statute. Resident will pay for: (1) rekeying that you request (except when we failed to rekey after the previous resident moved out); and (2) repairs or replacements due to misuse or damage by you or your family, occupants, or guests. You must pay immediately after the work is done unless state statute authorizes advance payment. Resident shall also pay for additional or changed security devices you request, in advance or afterward, at Managements option.

TEXAS UTILITY BILLING AND ALLOCATION ADDENDUM

UTILITY/ SERVICE	UTILITY'S CUSTOMER OF RECORD	CHARGED TO RESIDENT?	CALCULATION METHOD FOR CHARGES TO RESIDENT	COMMON AREAS
Water	Owner	Yes	Allocated based upon 50% occupancy and 50% sq ft	Irrigation is separately metered and not charged to resident. Other common areas are not separately metered and a deduction of 5% for estimated common area charges is made before calculating Resident's bill
Sewer	Owner	Yes	Allocated based upon 50% occupancy and 50% sq ft	Are not separately metered and a deduction of 5% for estimated common area charges is made before calculating Resident's bill
Trash/Recycling	Owner	Yes	Allocated based upon a per unit allocation method	Resident will pay a pro-rata share of the utilities consumed in common areas.
Gas	Not Applicable	No	N/A	N/A
Hot Water Energy	Not Applicable	No	N/A	N/A
Pest	Owner	Yes	Allocated based upon a per unit allocation method	Resident will pay a pro-rata share of the utilities consumed in common areas.
Electricity	Resident	Yes	Direct billing from Utility Provider	Are separately metered and are not charged to Resident.

The following Statements in Paragraphs A-G are applicable to all utility charges billed to Residents.

- A. Addendum:** This addendum is in addition to the Lease Contract for Apartment #1735 .Your monthly rent under the lease contract does not include a charge for water, wastewater, stormwater/drainage, pest control, or trash. Instead, you will be receiving a separate bill from us each month for those costs. We will allocate the monthly master bill(s) for the apartment community based on an allocation methods approved by the PUC. A nominal administrative fee of \$2.75 per month will be added to your bill for processing and billing. A fee of \$0.00 per month will be added to your bill for processing and billing of gas if applicable to your apartment community.
- B. Conservation:** The reason for allocating water, wastewater, and or stormwater/drainage is when the water is paid by the property owners in full; Residents have no incentive to conserve utilities. Allocation methods are in place to encourage Residents to conserve natural resources. When Residents do not conserve this leads to higher rents. As owners, we also have incentive to conserve water because we are required by law to pay a portion of the total water bills for the entire apartment community. Governmental entities impose fees to help pay for the cost of maintaining the infrastructure needed to prevent flooding and lessen the impact of pollution on our water system. These fees can be significant. Our property has chosen to allocate this fee so residents are more aware of the true costs associated with this fee and so it is not necessary to raise rents to keep pace with the fee increases.
- C. Payment Due Date:** Payment of your allocated utility bill is due 16 days after the date it is postmarked. You agree to mail or deliver payment to the place indicated on your bill so that payment is received no later than the due date. You will pay a late charge of 5 percent (5%) of your water/wastewater bill if we do not receive timely payment. If you are late in paying the water bill, we may not cut off your water; but we may immediately exercise all other lawful remedies including eviction.

- D. Common Area Deductions:** We calculate your allocated share of the utility bill according to PUC rules. Before calculating your portion of the bill, we will deduct for irrigation of landscaping and all other common area uses, as required by PUC rules. We will also deduct for any utility company base charges and customer service charges to reflect vacant units. No administrative or other fees will be added to the total master meter water/wastewater bill(s) to be allocated unless expressly allowed by PUC rules. No other amounts will be included in the bill except your unpaid balances and any late fee that you incur.
- E. PUC Rules and Regulations:** Water allocation billing is regulated by the Texas Public Utilities Commission (PUC). You will find a summary or a copy of these rules attached in your Rental Agreement or in your Move in Packet.
- F. Right to examine Records:** You may examine the water, wastewater, storm water, trash, gas (if applicable) and any other master bills from the utility provider, and our calculations relating to the monthly allocation for the bills, and any other information available to you in accordance with the PUC Rules and Regulations during regular weekday office hours.
- G. Change of Allocation Formula:** The above allocation formula for determining your share of the master metered water/wastewater bill cannot be changed except as follows: (1) the new formula is one approved by the PUC; (2) you receive notice of the new formula at least 35 days before it takes effect; and (3) you agree to the change in a signed lease renewal or signed mutual agreement.

You agree to and we will allocate the monthly bill for the apartment community based on the method below:

Water, Wastewater, & Storm Water Drainage

The normal date on which the utility company sends its monthly bill to us for the water/wastewater master meter is around the **10th** day of the month. Within 10 days thereafter, we try to allocate that master meter bill among our residents by allocated billings.

Previous average: As required under PUC rules, you are notified that the average monthly bill for all dwelling units previous calendar year was **\$40.23** varying from **\$13.62** to **\$130.38** for the lowest to highest month's bills for any unit in the apartment community for this period. The above amounts do not reflect future changes in utility company water rates, weather variations, total water consumption, residents' water consumption habits, etc.

Conservation efforts: We agree to use our best efforts to repair any water leaks inside or outside your apartment no later than 7 days after learning of them. You agree to use your best efforts to conserve water and notify us of leaks.

Trash/Recycling

Trash/Recycling Costs: You agree to pay a monthly trash removal and/or recycling fee for the apartment community based on the allocation method as set forth above. Your trash/recycling bill may include state and local sales taxes as required by state law. Payment of your trash removal and Recycling bill is due 16 days after the date it is postmarked or hand delivered to your apartment. We may include this item as a separate and distinct charge as part of a multi-item bill. You agree to mail or deliver payment to the place indicated on your bill so that payment is received no later than the due date. There will be a late charge of 5 percent of your bill if we do not receive timely payment of your trash/recycling bill, but we are not obligated to accept late payment. If you are late in paying the trash removal/recycling bill, we may immediately exercise all lawful remedies under your lease contract, including eviction.

Valet Trash Service (if applicable):

If the community provides valet trash service you will be notified and provided a trash container. All the trash must be properly bagged, tied and placed inside the container. Trash containers are to be placed outside the front door no earlier than 6:00pm. Cardboard boxes must be flattened. Oversized items (TV's, Furniture, etc.) are not permitted and will not be collected. You must bring the trash container back inside your apartment home by 9:00am the following morning. Residents will be responsible for the trash container provided. Containers must be left clean and intact when vacating the apartment. If the trash container is not left in

the apartment, fee will be charged for a replacement. Additionally, a fee will be charged if it is not cleaned.

Pest Control

Pest Control Costs: You agree to pay a monthly pest control fee for the apartment community based on the allocation method as set forth above. Your pest control bill may include state and local sales taxes as required by state law. Payment of your pest control bill is due 16 days after the date it is postmarked or hand delivered to your apartment. We may include this item as a separate and distinct charge as part of a multi-item bill. You agree to mail or deliver payment to the place indicated on your bill so that payment is received no later than the due date. There will be a late charge of 5 percent of your bill if we do not receive timely payment of your trash/recycling bill, but we are not obligated to accept late payment. If you are late in paying the pest control bill, we may immediately exercise all lawful remedies under your lease contract, including eviction.

Natural Gas Allocation (if applicable)

Methodology: Natural gas is allocated to bring awareness to the residents about how important it is to conserve natural gas and heat. We can do this by controlling the thermostat levels, and keeping doors and windows closed during the colder months. Half of your apartment allocation is based on your apartment unit’s share of total people living in the apartment and half will be based on your total square footage. The deduction stated on the utility table is to cover portions the community pays for items such as hot water heaters for pools, or gas dryers in community laundry facilities.

The normal date on which the utility company sends it monthly bill to us for the gas master meter is about the **N/A** day of the month. Within 10 days thereafter, we try to allocate that master meter bill among our residents by allocated billings.

Payments: Your gas will not be shut off if you do not pay it. However, the owner has the right to take legal action to collect amounts due amount, including filing eviction for a late payment. On your monthly statement of bill provided by the Owner or third party billing company, you will find your separate charge for gas.

§24.124. Charges and Calculations.

- (a) Prohibited charges. Charges billed to tenants for submetered or allocated utility service may only include bills for water or wastewater from the retail public utility and must not include any fees billed to the owner by the retail public utility for any deposit, disconnect, reconnect, late payment, or other similar fees.
- (b) Dwelling unit base charge. If the retail public utility's rate structure includes a dwelling unit base charge, the owner shall bill each dwelling unit for the base charge applicable to that unit. The owner may not bill tenants for any dwelling unit base charges applicable to unoccupied dwelling units.
- (c) Customer service charge. If the retail public utility's rate structure includes a customer service charge, the owner shall bill each dwelling unit the amount of the customer service charge divided by the total number of dwelling units, including vacant units, that can receive service through the master meter serving the tenants.
- (d) Calculations for submetered utility service. The tenant's submetered charges must include the dwelling unit base charge and customer service charge, if applicable, and the gallonage charge and must be calculated each month as follows:
 - (1) water utility service: the retail public utility's total monthly charges for water service (less dwelling unit base charges or customer service charges, if applicable), divided by the total monthly water consumption measured by the retail public utility to obtain an average water cost per gallon, liter, or cubic foot, multiplied by the tenant's monthly consumption or the volumetric rate charged by the retail public utility to the owner multiplied by the tenant's monthly water consumption;
 - (2) wastewater utility service: the retail public utility's total monthly charges for wastewater service (less dwelling unit base charges or customer service charges, if applicable), divided by the total monthly water consumption measured by the retail public utility, multiplied by the tenant's monthly consumption or the volumetric wastewater rate charged by the retail public utility to the owner multiplied by the tenant's monthly water consumption;
 - (3) service charge for manufactured home rental community or the owner or manager of apartment house: a manufactured home rental community or apartment house may charge a service charge in an amount not to exceed 9% of the tenant's charge for submetered water and wastewater service, except when:
 - (A) the resident resides in a unit of an apartment house that has received an allocation of low income housing tax credits under Texas Government Code, Chapter 2306, Subchapter DD; or
 - (B) the apartment resident receives tenant-based voucher assistance under United States Housing Act of 1937 Section 8, (42 United States Code, § 1437f); and
 - (4) final bill on move-out for submetered service: if a tenant moves out during a billing period, the owner may calculate a final bill for the tenant before the owner receives the bill for that period from the retail public utility. If the owner is billing using the average water or wastewater cost per gallon, liter, or cubic foot as described in paragraph (1) of this subsection, the owner may calculate the tenant's bill by calculating the tenant's average volumetric rate for the last three months and multiplying that average volumetric rate by the tenant's consumption for the billing period.
- (e) Calculations for allocated utility service.
 - (1) Before an owner may allocate the retail public utility's master meter bill for water and sewer service to the tenants, the owner shall first deduct:
 - (A) dwelling unit base charges or customer service charge, if applicable; and
 - (B) common area usage such as installed landscape irrigation systems, pools and laundry rooms, if any, as follows:
 - (i) if all common areas are separately metered or submetered, deduct the actual common area usage;
 - (ii) if common areas that are served through the master meter that provides water to the dwelling units are not separately metered or submetered and there is an installed landscape irrigation system, deduct at least 25% of the retail public utility's master meter bill;
 - (iii) if all water used for an installed landscape irrigation system is metered or submetered and there are other common areas such as pools or laundry rooms that are not metered or submetered, deduct at least 5% of the retail public utility's master meter bill; or
 - (iv) if common areas that are served through the master meter that provides water to the dwelling units are not separately metered or submetered and there is no installed landscape irrigation system, deduct at least 5% of the retail public utility's master meter bill.
 - (2) To calculate a tenant's bill:
 - (A) for an apartment house, the owner shall multiply the amount established in paragraph (1) of this subsection by:
 - (i) the number of occupants in the tenant's dwelling unit divided by the total number of occupants in all dwelling units at the beginning of the month for which bills are being rendered; or
 - (ii) the number of occupants in the tenant's dwelling unit using a ratio occupancy formula divided by the total number of occupants in all dwelling units at the beginning of the retail public utility's billing period using the same ratio occupancy formula to determine the total. The ratio occupancy formula will reflect what the owner believes more accurately represents the water use in units that are occupied by multiple tenants. The ratio occupancy formula that is used must assign a fractional portion per tenant of no less than that on the following scale:
 - (I) dwelling unit with one occupant = 1;
 - (II) dwelling unit with two occupants = 1.6;
 - (III) dwelling unit with three occupants = 2.2; or
 - (IV) dwelling unit with more than three occupants =

- 2.2 + 0.4 per each additional occupant over three; or
- (iii) the average number of occupants per bedroom, which shall be determined by the following occupancy formula. The formula must calculate the average number of occupants in all dwelling units based on the number of bedrooms in the dwelling unit according to the scale below, notwithstanding the actual number of occupants in each of the dwelling unit's bedrooms or all dwelling units:
 - (I) dwelling unit with an efficiency = 1;
 - (II) dwelling unit with one bedroom = 1.6;
 - (III) dwelling unit with two bedrooms = 2.8;
 - (IV) dwelling unit with three bedrooms = 4 + 1.2 for each additional bedroom; or
 - (iv) a factor using a combination of square footage and occupancy in which no more than 50% is based on square footage. The square footage portion must be based on the total square footage living area of the dwelling unit as a percentage of the total square footage living area of all dwelling units of the apartment house; or
 - (v) the individually submetered hot or cold water usage of the tenant's dwelling unit divided by all submetered hot or cold water usage in all dwelling units;
- (B) a condominium manager shall multiply the amount established in paragraph (1) of this subsection by any of the factors under subparagraph (A) of this paragraph or may follow the methods outlined in the condominium contract;
- (C) for a manufactured home rental community, the owner shall multiply the amount established in paragraph (1) of this subsection by:
- (i) any of the factors developed under subparagraph (A) of this paragraph; or
 - (ii) the area of the individual rental space divided by the total area of all rental spaces; and
- (D) for a multiple use facility, the owner shall multiply the amount established in paragraph (1) of this subsection by:
- (i) any of the factors developed under subparagraph (A) of this paragraph; or
 - (ii) the square footage of the rental space divided by the total square footage of all rental spaces.
- (3) If a tenant moves in or out during a billing period, the owner may calculate a bill for the tenant. If the tenant moves in during a billing period, the owner shall prorate the bill by calculating a bill as if the tenant were there for the whole month and then charging the tenant for only the number of days the tenant lived in the unit divided by the number of days in the month multiplied by the calculated bill. If a tenant moves out during a billing period before the owner receives the bill for that period from the retail public utility, the owner may calculate a final bill. owner may calculate the tenant's bill by calculating the tenant's average bill for the last three months and multiplying that average bill by the number of days the tenant was in the unit divided by the number of days in that month.
- (f) Conversion to approved allocation method. An owner using an allocation formula other than those approved in subsection (e) of this section shall immediately provide notice as required under §24.123(c) of this title (relating to Rental Agreement) and either:
- (1) adopt one of the methods in subsection (e) of this section; or
 - (2) install submeters and begin billing on a submetered basis; or
 - (3) discontinue billing for utility services.

§24.125. Billing.

- (a) Monthly billing of total charges. The owner shall bill the tenant each month for the total charges calculated under §24.124 of this title (relating to Charges and Calculations). If it's permitted in the rental agreement, an occupant or occupants who are not residing in their entail unit for a period longer than 30 days may be excluded from the occupancy calculation and from paying a water and sewer bill for that period.
- (b) Rendering bill.
 - (1) Allocated bills shall be rendered as promptly as possible after the owner receives the retail public utility bill.
 - (2) Submeter bills shall be rendered as promptly as possible after the owner receives the retail public utility bill or according to the time schedule in the rental agreement if the owner is billing using the retail public utility's rate.
- (c) Submeter reading schedule. Submeters or point-of-use submeters shall be read within three days of the scheduled reading date of the retail public utility's master meter or according to the schedule in the rental agreement if the owner is billing using the retail public utility's rate.
- (d) Billing period.
 - (1) Allocated bills shall be rendered for the same billing period as that of the retail public utility, generally monthly, unless service is provided for less than that period.
 - (2) Submeter bills shall be rendered for the same billing period as that of the retail public utility, generally monthly, unless service is provided for less than that period. If the owner uses the retail public utility's actual rate, the billing period may be an alternate billing period specified in the rental agreement.
- (e) Multi-item bill. If issued on a multi-item bill, charges for submetered or allocated utility service must be separate and distinct from any other charges on the bill.
- (f) Information on bill. The bill must clearly state that the utility service is submetered or allocated, as applicable, and must include all of the following:
 - (1) total amount due for submetered or allocated water;
 - (2) total amount due for submetered or allocated wastewater;
 - (3) total amount due for dwelling unit base charge(s) or customer service charge(s) or both, if applicable;
 - (4) total amount due for water or wastewater usage, if applicable;
 - (5) the name of the retail public utility and a statement that the bill is not from the retail public utility;

- (6) name and address of the tenant to whom the bill is applicable;
 - (7) name of the firm rendering the bill and the name or title, address, and telephone number of the firm or person to be contacted in case of a billing dispute; and
 - (8) name, address, and telephone number of the party to whom payment is to be made.
- (g) Information on submetered service. In addition to the information required in subsection (f) of this section, a bill for submetered service must include all of the following:
- (1) the total number of gallons, liters, or cubic feet submetered or measured by point-of-use submeters;
 - (2) the cost per gallon, liter, or cubic foot for each service provided; and
 - (3) total amount due for a service charge charged by an owner of a manufactured home rental community, if applicable.
- (h) Due date. The due date on the bill may not be less than 16 days after it is mailed or hand delivered to the tenant, unless the due date falls on a federal holiday or weekend, in which case the following work day will be the due date. The owner shall record the date the bill is mailed or hand delivered. A payment is delinquent if not received by the due date.
- (i) Estimated bill. An estimated bill may be rendered if a master meter, submeter, or point-of-use submeter has been tampered with, cannot be read, or is out of order; and in such case, the bill must be distinctly marked as an estimate and the subsequent bill must reflect an adjustment for actual charges.
- (j) Payment by tenant. Unless utility bills are paid to a third-party billing company on behalf of the owner, or unless clearly designated by the tenant, payment must be applied first to rent and then to utilities.
- (k) Overbilling and under billing. If a bill is issued and subsequently found to be in error, the owner shall calculate a billing adjustment. If the tenant is due a refund, an adjustment must be calculated for all of that tenant's bills that included overcharges. If the overbilling or under billing affects all tenants, an adjustment must be calculated for all of the tenants' bills. If the tenant was undercharged, and the cause was not due to submeter or point-of-use submeter error, the owner may calculate an adjustment for bills issued in the previous six months. If the total undercharge is \$25 or more, the owner shall offer the tenant a deferred payment plan option, for the same length of time as that of the under billing. Adjustments for usage by a previous tenant may not be back billed to a current tenant.
- (l) Disputed bills. In the event of a dispute between a tenant and an owner regarding any bill, the owner shall investigate the matter and report the results of the investigation to the tenant in writing. The investigation and report must be completed within 30 days from the date the tenant gives written notification of the dispute to the owner.
- (m) Late fee. A one-time penalty not to exceed 5% may be applied to delinquent accounts. If such a penalty is applied, the bill must indicate the amount due if the late penalty is incurred. No late penalty may be applied unless agreed to by the tenant in a written lease that states the percentage amount of such late penalty.

§24.127. Submeters or Point-of-Use Submeters and Plumbing Fixtures.

- (a) Submeters or point-of-use submeters
- (1) Same type submeters or point-of-use submeters required. All submeters or point-of-use submeters throughout a property must use the same unit of measurement, such as gallon, liter, or cubic foot.
 - (2) Installation by owner. The owner shall be responsible for providing, installing, and maintaining all submeters or point-of-use submeters necessary for the measurement of water to tenants and to common areas, if applicable.
 - (3) Submeter or point-of-use submeter tests prior to installation. No submeter or point-of-use submeter may be placed in service unless its accuracy has been established. If any submeter or point-of-use submeter is removed from service, it must be properly tested and calibrated before being placed in service again.
 - (4) Accuracy requirements for submeters and point-of-use submeters. Submeters must be calibrated as close as possible to the condition of zero error and within the accuracy standards established by the American Water Works Association (AWWA) for water meters. Point-of-use submeters must be calibrated as closely as possible to the condition of zero error and within the accuracy standards established by the American Society of Mechanical Engineers (ASME) for point-of-use and branch-water submetering systems.
 - (5) Location of submeters and point-of-use submeters. Submeters and point-of-use submeters must be installed in accordance with applicable plumbing codes and AWWA standards for water meters or ASME standards for point-of-use submeters, and must be readily accessible to the tenant and to the owner for testing and inspection where such activities will cause minimum interference and inconvenience to the tenant.
 - (6) Submeter and point-of-use submeter records. The owner shall maintain a record on each submeter or point-of-use submeter which includes:
 - (A) an identifying number;
 - (B) the installation date (and removal date, if applicable);
 - (C) date(s) the submeter or point-of-use submeter was calibrated or tested;
 - (D) copies of all tests; and
 - (E) the current location of the submeter or point-of-use submeter.
 - (7) Submeter or point-of-use submeter test on request of tenant. Upon receiving a written request from the tenant, the owner shall either:
 - (A) provide evidence, at no charge to the tenant, that the submeter or point-of-use submeter was calibrated or tested within the preceding 24 months and determined to be within the accuracy standards established by the AWWA for water meters or ASME standards for point-of-use submeters; or
 - (B) have the submeter or point-of-use submeter removed and tested and promptly advise the tenant of the test results.
 - (8) Billing for submeter or point-of-use submeter test.
 - (A) The owner may not bill the tenant for testing costs if the submeter fails to meet AWWA accuracy standards for water meters or ASME standards for point-of-use submeters.
 - (B) PROJECT NO. 42190 PROPOSAL FOR ADOPTION PAGE 345 OF 379.

- (C) The owner may not bill the tenant for testing costs if there is no evidence that the submeter or point-of-use submeter was calibrated or tested within the preceding 24 months.
- (D) The owner may bill the tenant for actual testing costs (not to exceed \$25) if the submeter meets AWWA accuracy standards or the point-of-use submeter meets ASME accuracy standards and evidence as described in paragraph (7)(A) of this subsection was provided to the tenant.
- (9) Bill adjustment due to submeter or point-of-use submeter error. If a submeter does not meet AWWA accuracy standards or a point-of-use submeter does not meet ASME accuracy standards and the tenant was overbilled, an adjusted bill must be rendered in accordance with §24.125(k) of this title (relating to Billing). The owner may not charge the tenant for any under billing that occurred because the submeter or point-of-use submeter was in error.
- (10) Submeter or point-of-use submeter testing facilities and equipment. For submeters, an owner shall comply with the AWWA's meter testing requirements. For point-of-use meters, an owner shall comply with ASME's meter testing requirements.
- (b) Plumbing fixtures. After January 1, 2003, before an owner of an apartment house, manufactured home rental community, or multiple use facility or a manager of a condominium may implement a program to bill tenants for submetered or allocated water service, the owner or manager shall adhere to the following standards:
 - (1) Texas Health and Safety Code, §372.002, for sink or lavatory faucets, faucet aerators, and showerheads;
 - (2) perform a water leak audit of each dwelling unit or rental unit and each common area and repair any leaks found; and
 - (3) not later than the first anniversary of the date an owner of an apartment house, manufactured home rental community, or multiple use facility or a manager of a condominium begins to bill for submetered or allocated water service, the owner or manager shall:
 - (A) remove any toilets that exceed a maximum flow of 3.5 gallons per flush; and
 - (B) install toilets that meet the standards prescribed by Texas Health and Safety Code, §372.002.

BED BUG DISCLOSURE AND PRECAUTION ADDENDUM

This Bed Bug Addendum (“Addendum”) is made part of the Rental Agreement dated 01/28/2022 between Venkata Ravi Teja Piniseti and Asif Basha Shaik (Residents) and Cypress Lake at Stonebriar (Owner) for real property (the premises) located at: 8404 Warren Parkway 1735, Frisco, TX 75034.

1. Resident will practice good housekeeping, including the following:

- a) Resident shall remove clutter. Eliminating concealed, dark places will reduce the places that bed bugs can hide.
- b) Resident shall keep the apartment home clean. Vacuum and dust regularly, particularly in the bedroom, being especially thorough around and under the bed, drapes, and furniture. Use a brush attachment to vacuum furniture legs, headboard, and in and around the nightstand(s). While cleaning, look for signs of bed bugs. If any bed bugs or signs are detected, report them immediately.
- c) Resident shall not use secondhand or rental furnishings unless they have been thoroughly inspected by qualified pest control applicators for the presence of bed bugs, especially beds and mattresses. Used items may be infested with bed bugs. If you must use rented or secondhand items, inspect them carefully, in compliance with this Addendum, and Resident agrees not to use any item that shows signs of bed bugs, eggs, or larvae infestation. Resident shall not bring discarded items from the curbside into the apartment home.
- d) Resident shall cover mattresses and box springs with zippered coverings that are impermeable to bed bugs. These can prevent bed bugs from getting inside the mattress. The covers will also help prevent any bugs inside from getting out as they will eventually die inside the sealed cover.
- e) Resident shall arrange furniture to minimize bed bug hiding places. If possible, keep beds and upholstered furniture several inches from the walls. Resident shall check for hitch-hiking bed bugs. After staying in a hotel or another home, before you enter your apartment home, Resident agrees to inspect clothing, luggage, shoes, and belongings for signs of bed bugs and to check backpacks, shoes, and clothing after visits to family or friends, theaters, or after using public transportation. After guests visit, Resident agrees to inspect beds, bedding, and upholstered furniture.
- f) If Resident fails to report any pest infestation and/or problem with the Premises within 10 days of move-in, it shall be an acknowledgement by Resident that the Premises are acceptable, in good condition, and pest free.

2. Resident shall report any problems immediately. Specifically, Resident shall:

- a) Report any signs of bed bugs immediately. Even a few bugs can rapidly multiply to create a major infestation that can spread from apartment to apartment. Do not wait!
- b) Report any maintenance needs immediately. Bed bugs like cracks, crevices, holes, and other openings. Request that all openings be sealed to prevent the movement of bed bugs from room to room.

3. Resident agrees to cooperate fully with and to undertake all efforts and tasks required by Owner or Owner’s pest management professional employed to eradicate pests.

If your apartment home (or a neighbor’s apartment home) is infested with bed bugs, a pest management professional may be called in to apply pesticides. The treatment is more likely to be effective if your apartment home is properly prepared. **Resident shall comply with the recommendations from the pest management professional including but not limited to:**

- a) Remove all bedding (including bed skirts), drapes, curtains, and small rugs. Bag these for transport to the laundromat.
- b) Check mattresses carefully; those with minimal infestation may be cleaned, encased in vinyl covers, and returned to service. Heavily infested mattresses are not salvageable. Seal those in plastic and dispose of them properly.
- c) Empty dressers, nightstands, and closets. Remove all items from floors and surfaces. Inspect every item for signs of

bed bugs. Using sturdy plastic bags, bag all clothing, shoes, boxes, toys, stored goods, etc. Bag washable and non-washable items separately. Take care not to tear the bags and seal them with an airtight knot. Used bags must be discarded properly.

- d) Carefully remove vacuum bags, seal bags in plastic, and discard.
 - e) Clean all machine-washable bedding, drapes, clothing, etc. in a commercial laundromat with 140° Fahrenheit water. Dry at the highest heat setting. Take other items to a dry cleaner, but be sure to advise dry cleaner that the items are infested. Discard any items that cannot be decontaminated.
 - f) Move furniture towards the center of the room so that technicians can easily treat carpet edges where bed bugs congregate, as well as walls and furniture surfaces. Be sure to leave easy access to the closets.
- 4. When Resident reports a suspected bed bug infestation to the Owner, Owner will procure an inspection by a pest management professional.**
- a) If bed bugs are found in any of the Residents furniture, clothing, luggage or any other personal items, Resident will pay for inspection and treatment.
 - b) If bed bugs are present in apartment (i.e. coming through walls or carpet infestation), but not in any furniture, clothing, luggage or other personal items, Owner will pay for inspection and treatment.
 - c) If no bed bugs are found after initial inspection, Resident will be charged for the requested inspection.
- 5. Resident and Owner agree that any violation of this Addendum constitutes a material violation of the Lease, and Agent may terminate Resident’s right to possession upon three days Notice to Quit, no right to cure.** There is no requirement that Agent allow Resident to cure prior to serving Resident with a Notice to Quit. Proof of the violation of this Addendum shall be by a preponderance of the evidence.
- 6. Resident(s) agrees to indemnify and hold harmless the Owner from any actions, claims, losses, damages, and expenses, including, but not limited to, attorneys’ fees that the Owner may sustain or incur as a result of the negligence of the Resident or any guest or other person living in, occupying, or using the premises.**

To receive a security deposit back after vacating the property, all terms of the lease must be fulfilled and the apartment must be left in good condition. The above are estimated charges only. Actual charges may vary. We encourage all residents to schedule a pre-walk of their unit with the Property Manager or Assistant Manager within 2 weeks of a scheduled move out to ensure both parties understand what is normal wear and tear versus negligent damage that will be billed back to the resident and/or deducted from the security deposit. Please note that any damages noted or not noted on said unit walk are not meant to be fully representative of actual charges upon completion of the move-out assessment. Residents will not be charged for normal wear during residency. Regarding carpet and/or vinyl/tile flooring

within a unit, if any damages resulting from tears, gouges, rips, stains, animal feces, urine, pet odor, smoking odor, burns, or anything negligent is noted once a resident vacates the unit, residents will be billed back the full cost of repair or replacement. The landlord will do its best to repair and/or replace portions of the flooring when possible to keep costs lower, but if it is not possible due to the amount of repairs required, or due to the landlord's anticipation of a poor appearance upon completion of the repairs, full replacement costs will be billed back to the resident. For example, if the carpet was recently installed prior to a resident's occupancy, and as a result of excessive wear, the carpet needs to be replaced after the resident lived at the community for 3 years, the resident will be responsible for a prorated amount of the replacement due to the excessive wear, even though there was no obvious negligent damage, since it's a widely accepted practice in the apartment industry that carpet should last a minimum of 5 years. Alternatively, if a resident lives in a unit for 6 years and the carpet is in generally good condition upon move out, and would ordinarily be considered acceptable to a future resident after a thorough shampooing, but sustained visible damages such as cigarette burns, a few permanent stains, a few rips, and smoke odor, then the resident will be billed back for a replacement due to the negligent damages. While age is considered, it is by no means the sole basis for a decision to bill back a resident upon move out.

SATELLITE DISH ADDENDUM

Resident understands that any Satellite Dish or Antenna must comply with the FCC Regulations as made known in the picture provided and by the "Lease Addendum for Satellite Dish or Antenna". This means any satellite dish or antenna must be within the **exclusive** use of the unit. Management will not be responsible for or susceptible to any fees associated with removal of such satellite dish or antenna that was installed improperly.

FCC RESTRICTIONS
ON THE PLACEMENT OF SATELLITE DISHES
1 METER OR LESS (PIZZA-STYLE)

NAA
NMHC ASHA

OWNERS MAY PROHIBIT PLACEMENT ON:

- ROOFTOPS
- WINDOW SILLS
- COMMON-USE BALCONIES OR STAIRWELLS
- OUTSIDE WALLS

OWNERS MAY NOT UNREASONABLY PROHIBIT PLACEMENT ON:

- BALCONIES, PATIOS, OR GARDENS TOTALLY WITHIN THE EXCLUSIVE USE OF THE RESIDENT

NOTE: NO HOLES MAY BE DRILLED IN OUTSIDE WALLS, ROOF, OR WINDOWS. NO HOLES MAY BE DRILLED IN A BALCONY RAILING. NO PART OF THE DISH OR ANTENNA CAN EXTEND BEYOND THE BALCONY RAILING LINE.

SATELLITE DISH GUIDELINES AND REGULATIONS

This Satellite Dish Addendum to Lease Contract (hereinafter "Addendum") is hereby entered into, identified below, by and between Management and the **Venkata Ravi Teja Piniseti and Asif Basha Shaik** identified in the Lease Contract as "Resident."

This Addendum is a supplement to, and is an integral part of, that Lease Contract (the "Agreement") between Management and Resident(s). If there is any conflict between the Agreement and this Addendum, the Addendum is controlling. This Addendum will be in effect for the duration of Resident's occupancy within the above-described Property, including Resident's occupancy in another unit within the Property.

Under a Federal Communications Commission (FCC) order, Resident(s) have a right to install a transmitting or receiving satellite dish or antenna on the leased premises, subject to FCC limitations. Management is permitted to impose reasonable restrictions relating to such installation and Resident(s) must comply with these restrictions as a condition of installing such equipment. By signing this Addendum the parties recognize and agree that a Satellite Dish and/or Antenna may be installed under the following circumstances:

1. **Number and Size:** Resident may install one (1) satellite dish or antenna on the leased premises. Such satellite dish may not exceed one meter (3.3 feet) in diameter. Antennas that only transmit signals or that are not covered by 47 CFR § 1.4000 are prohibited. EXCEPTION: If Management has installed and made available a central satellite dish for use by all residents, then individual residents may not install their own satellite dishes.
2. **Location:** Resident(s)' satellite dish or antenna must be located (1) inside the dwelling unit; or (2) in an area outside the dwelling unit such as a balcony, patio, yard, etc. over which Resident has exclusive use under the Lease Contract. Installation is not permitted on any parking area, roof, exterior wall, window, windowsill, fence or common area, or in an area that other residents are allowed to use. A satellite dish may not protrude beyond the vertical and horizontal space that is leased to Resident for his/her exclusive use.
3. **Safety and Non-Interference:** Any installation
 - a. Must comply with all applicable ordinances and laws and all reasonable safety standards;
 - b. May not interfere with Management's cable, telephone or electrical systems or those of neighboring properties;
 - c. May not be connected to Management's telecommunications systems; and
 - d. May not be connected to Management's electrical system except through a 110-volt duplex receptacle.

If the satellite dish or antenna is placed in a permitted outside area, it must be safely secured by one of the following three methods: (1) securely attaching it to a portable, heavy object such as a small slab of concrete; (2) clamping it to a part of the building's exterior that lies within Resident's leased premises (such as a balcony or patio railing); or (3) any other method approved by Management in writing. No other methods are allowed. Management may require reasonable screening of the satellite by plants, etc., so long as it does not impair reception.

4. **Installation:** All installations must be performed in a manner as not to cause legitimate safety concerns, including but not limited to danger of falling, proximity to power lines, and danger of permanent damage to the structure. All installations must be performed in full compliance with all applicable statutes, rules and regulations. If permits are required, Resident is responsible for obtaining all such permits prior to installation. Resident may not damage or alter the leased premises and may not drill holes through outside walls, doorjamb, windowsills, etc. If Resident's satellite dish is installed outside of the dwelling unit, such as on a patio, balcony, or yard, the signals received may be transmitted to the interior of the dwelling only by the following methods:
 - a. Running a flat cable under a doorjamb or windowsill in a manner that does not physically alter the premises and does not interfere with proper operation of the door or window;
 - b. Running a traditional or flat cable through a pre-existing hole in the wall (that will not need to be enlarged to accommodate the cable);
 - c. Connecting cables through a window pane, similar to how an external car antenna for a cellular phone can be connected to inside wiring by a device glued to either side of the window, without drilling a hole through the window;
 - d. Wireless transmission of the signal from the satellite dish or antenna to a device inside the dwelling; or
 - e. Any other method approved by Management in writing.

5. **Safety:** In order to assure safety, the strength and type of materials used for installation must be approved by Management. Installations must be performed by a qualified person or company approved by Management.

Management’s approval will not be unreasonably withheld. An installer provided by the seller of the satellite dish or antenna is presumed to be qualified.

6. **Maintenance and Upkeep:** All maintenance and upkeep of the satellite dish, antenna and all related equipment is solely the responsibility of Resident(s).

7. **Removal of Equipment:** At the conclusion of Resident’s tenancy, Resident must remove the satellite dish, antenna and all related equipment from the dwelling. Resident acknowledges and agrees that he/she is responsible for any and all damages to the unit incurred by the installation, retention, maintenance or removal of the satellite dish, antenna and/or any related equipment and that he/she must pay for any damages beyond normal wear and tear, including the cost of repairs or repainting caused by negligence, carelessness, accident or abuse which may be reasonably necessary to restore the leased premises to its condition prior to the installation of the satellite dish, antenna or other equipment.

8. **Indemnification to Owner and Management:** Resident(s) agrees to indemnify Owner and Management against any claims arising out of an injury to any person or property that occurs because of Resident’s installation, use, retention or removal of such satellite dish, antenna or related equipment. Management recommends that Resident(s) obtain a separate policy providing liability insurance to protect against claims of personal injury and property damage to others related to Resident’s satellite dish and related equipment.

No portion of the installation policy may be waived by Management or changed verbally. Any change or waiver to this Addendum is effective only when in writing and signed by both Resident(s) and Management.

I have read the following addendum and agree to the conditions set forth.

Liability Insurance Requirement Lease Addendum

Resident(s): Venkata Ravi Teja Piniseti and Asif Basha Shaik

Unit: 1735

Property: Cypress Lake at Stonebriar

The Owner of the Property requires all residents to obtain renter’s insurance to cover the negligence, carelessness or inappropriate actions of the resident and the resident’s guests which result in physical damage to the building or the Owner’s property caused by fire, flood, or other causes resulting in damage.

As a resident of the Property, I will (1) obtain my own insurance policy in the minimum amount of \$300,000 and with a deductible of not more than \$500, (2) name the Property as an insured party under this policy, whereby the Owner will receive a written notice if the policy is amended or cancelled (3) provide the Property with proof of this insurance prior to moving into my apartment and on each renewal of my lease, and (4) maintain this policy for the duration of my residency. This liability policy must provide me with insurance coverage for the negligence, carelessness or inappropriate actions of myself, other occupants of my unit, or my guests which result in physical damage to my apartment, the building, or the Owner’s property caused by fire, flood, or other causes resulting in damage. Furthermore, Tenant agrees to open a claim with their carrier for any floods within the unit (or impacting adjacent units) caused by backed up toilets, broken toilets, broken toilet water supply lines, fire sprinkler activation within the apartment (or building if determined to stem from Tenants unit), broken washer/dryer pipes or connections, water heater breaches or failures, holes in the bath tub due to excessive weight or stress, or any other event within the home causing water damage. I understand and agree that if my insurance policy is cancelled for any reason during my residency, or there is any lapse in coverage, I will be assessed an administrative fee of \$150.00 each time this occurs. I understand that the payment of this fee in no way waives my requirement to maintain the insurance coverage as required above during the entire duration of my residency.

BE ADVISED that any insurance carried by the Owners does not cover damage to or theft of your personal belongings, personal liability, guests, or vehicles due to any and all causes. Obtaining insurance for these are your responsibility. The Owner is not an insurance agent and residents are free to obtain renter’s insurance from the carrier of their choice.

As a resident, it is YOUR RESPONSIBILITY TO INSURE YOUR PERSONAL PROPERTY, YOUR VEHICLE, AND CARRY PERSONAL LIABILITY INSURANCE. Such insurance is inexpensive and easy to obtain.

NOT ALL POLICIES ARE THE SAME. Many policies have limiting language that cause coverage for certain losses to be denied. Take extra caution to read and understand your renters insurance policy. Be sure to obtain a policy that has a comprehensive coverage policy. An example of non-limiting policy language is as follows: “We insure you against accidental direct physical loss of or damage to personal property owned or rented by you. We also insure additions and alterations to the residence premises made by you at your expense during your tenancy. The loss or damage must be caused by a peril described in the Perils Clause....Perils Clause, Section M: Discharge or overflow of water or steam from a plumbing, heating, air conditioning or automatic fire protective sprinkler system; household appliance; or waterbed” (Excerpt from LeasingDesk, E-Renters Insurance Policy).

Resident(s) acknowledges that there is no loss or claim pending related to Owner at the time of execution of this document. Resident(s) acknowledges that by signing this Addendum, the resident(s) waive their right to assign any claim or notice of claim by way of subrogation to any insurance company. Resident(s) acknowledges that Owner retains the right to modify or cancel any of the above terms upon thirty (30) days written notice.

Community Association Amenities Fees Lease Addendum

In this document, the terms “you” and “your” refer to all residents signing below; the terms “we,” “us,” and “our” refer to the owner named in the Lease Contract (not to the property manager or anyone else).

- 1. ADDENDUM.** This is an addendum to the Lease Contract (the “Lease”) dated the 27th day of January, 2022, between Cypress Lake Grantor Trust, (“Owner”) and Venkata Ravi Teja Piniseti and Asif Basha Shaik (“Residents”) (list all original residents named in paragraph 1 of the Lease) on the dwelling located at 8404 Warren Parkway 1735, Frisco, TX 75034 (the “Premises”).
- 2. ALLOCATION OF COMMUNITY ASSOCIATION AMENITIES FEES.** The Premises are located in a community subject to the Frisco Bridges Association (“the Association”). The Association manages various services and amenities provided to the community as a whole, such as landscaping, parks, walkways, roadways, exterior lighting, medians, detention lakes, and common areas. The Community Association Amenities Fees indicated below (the “CAAF”) will be allocated using a standardized formula to distribute these costs fairly. While Owner may impose a nominal fee to help recover its costs in administering these bills, Owner shall not add any other costs to these bills and shall make no profit off of them. More information about the Association can be found at N/A.
- 3. PAYMENT DUE DATE.** Payment of your allocated CAAF bill is due on the 1st of the month. You agree to mail or deliver payment to the place indicated on your bill so that payment is received no later than the due date. If you are late in paying the CAAF bill, we may immediately exercise all other lawful remedies, including eviction—just like late payment of rent.
- 4. ALLOCATION PROCEDURES.** Your monthly rent under the Lease does not include a charge for the CAAF fees indicated above. These CAAF fees will be included as a separate and distinct charge as part of a multi-item bill.

You agree to and we will allocate the CAAF fees for the apartment community based on the actual periodic Association bill calculated on a monthly basis using a per unit allocation calculation. The monthly fee will be adjusted periodically based upon the latest available Association assessment billing to the Owner. An estimate of the monthly fee, not including any administration fees, will be **\$7.84**.

- 5. PENALTIES AND FEES.** Only the total of the Association bills will be allocated. Penalties or interest for any late payment of these bills by Owner will be paid for by Owner and will not be allocated. A nominal administrative fee of **\$3.00** per month will be added to your bill for processing, billing and/or collecting.

6. **CHANGE OF ALLOCATION FORMULA.** The above allocation formula for determining your share of the CAAF bills cannot be changed except as follows: (1) you receive notice of the new formula at least 35 days before it takes effect; and (2) you agree to the change in a signed lease renewal or signed mutual agreement.
7. **BINDING AGREEMENT.** The parties acknowledge and agree that this Addendum shall be binding upon their heirs, legal representatives, successors and assigns. To the extent any part of this Addendum is unenforceable, the remainder of the Addendum shall remain in full force and effect. To the extent that the terms of this Addendum conflict with the terms of the Lease, the terms of this Addendum shall control.

In this Addendum, the terms “you” and “your” refer to all Residents signing below; the terms “we,” “us,” and “our” refer to the Owner named in the Lease (not to the property manager or anyone else). Capitalized terms used but not defined shall be given the meaning assigned to them in the Lease.

- 1. Addendum.** This is an addendum to the Lease (the “**Addendum**”) dated on the date and year written below between Cypress Lake Grantor Trust (“**Owner**”) and Venkata Ravi Teja Piniseti and Asif Basha Shaik (“**Residents**”) for unit(s) number 1735 at Cypress Lake at Stonebriar Apartments (“**Premises**”), located at 8404 Warren Parkway, Frisco, Texas 75034 (the “**Apartments**”).
- 2. Video and Internet Service.** Subject to Owner’s right to cancel or modify this Addendum at any time, Owner is providing bulk video and internet service (the “**Cable Service**”) to Residents through one (1) existing outlet in the Premises. When the Cable Service is purchased in bulk by the Owner, it is less expensive for Residents. Owner shall have the right, from time to time, to equitably allocate and prorate some or all of the fees for Cable Service (the “**Cable Service Fees**”) to each Premises thereby passing on the savings to all Residents. Residents are not required to utilize the Cable Service, and subject to the terms and conditions of the Lease and availability, Residents may utilize third-party video or internet service providers. However, notwithstanding anything in this Addendum to the contrary, you acknowledge and agree that the Cable Service Fees are required, even if you utilize an independent third-party video or internet service provider. The Cable Service Fees may be modified as follows: (1) you receive notice of the revised Cable Service Fees at least 30 days before it takes effect; or (2) you agree to a modification in a Lease renewal or other agreement.
- 3. Payment.** To the extent that your monthly rent under the Lease does not include a charge for Cable Service Fees, you may receive a separate bill from us for the Cable Service Fees. We may include this item as a separate and distinct charge as part of a multi-item bill. Resident shall pay the Cable Service Fees in consecutive monthly installments on the first day of each calendar month until the expiration or termination of the Lease. If we do not receive timely payment of the Cable Service Fees, or you are late in paying the Cable Service Fees, you may be subject to interruption or cut off access to Cable Service, and we may immediately exercise all lawful remedies. Further, Resident shall be solely responsible for all other charges and fees in connection with the Cable Service and Equipment, including without limitation, online services, purchases, and other fees for products or services. In the event your Lease commencement date is other than the 1st of the month or the Lease end date is other than the last day of the month, your Cable Service Fees will be prorated for that month accordingly.
- 4. Equipment; Service Use.** Some features of the Cable Service may be used only by picking up and installing equipment (the “**Equipment**”) from the telecommunication service provider (Time Warner Cable Enterprises LLC, d/b/a Spectrum “**Spectrum**”). Your use of the Equipment is subject to all terms and conditions of Spectrum’s service agreement for the Cable Service. More information regarding Spectrum’s terms and conditions may be found on their website at <https://www.spectrum.com/policies/terms-of-service.html>; the acceptable use policy may be found on their website at <https://www.spectrum.com/policies/residentialterms.html>. Any information or communication that you disseminate, disclose, or provide via the Cable Service subject to Spectrum’s Privacy Policy, which governs the collection and use of your information, and it is available at <https://www.spectrum.com/policies/spectrum-customer-privacy-policy.html>, and is subject to change at any time. You understand that through your use of the Cable Service you consent to the collection and use (as set forth in the Privacy Policy) of this information, including the transfer of this information to the United States or other countries for storage, processing, and other use. Resident may not and agrees not to alter,

modify, sell, lease, assign, encumber, or tamper with either the Cable Service or Equipment. Further, Resident shall immediately inform Owner of any breach in the Cable Service or security thereof.

5. Waiver of Liability. Except as provided in this Addendum, you understand that the Cable Service is not supervised, inspected, controlled, or monitored in any way by Owner. Further, Owner makes no representations, recommendations, or warranties regarding either the Cable Service or Equipment. You use the Cable Service at your own risk. To the fullest extent permitted under applicable law, Owner is not and shall not become liable to you, your family, your guests or other occupants of the Premises for any injury, damage or loss whatsoever which is caused as a result of any problem, breach, defect, corruption, attack, virus, interference, hacking, or other security intrusion, unauthorized access, malfunction or failure of the performance of the Cable Service, or any other unlawful purpose or use of Cable Service. You further agree that, to the fullest extent permitted under applicable law, Owner is not liable for injury, damage or loss to any person or property caused by any other person including, but not limited to, theft, burglary, trespass, assault, vandalism or any other crime. Owner or its agent, contractors, employees, or representatives shall not be liable in any way for any disruption in the operation or performance of the Cable Service. In consideration of Owner's attempt to better serve you by providing the Cable Service, you agree that on behalf of yourself, your family, guests or other occupants, you will never make demand upon or file suit against Owner, or any of Owner's agents, contractors, employees or representatives for any damages, costs, loss of personal property, damages or injury to you as a result of, or arising out of or incidental to the existence, operation, repair or replacement or use of Cable Service. You hereby release Owner and its agents, contractors, employees, and representatives of and from any and all liability in connection with the Cable Service. Any other provision of this Addendum notwithstanding, the Resident acknowledges and agrees that (a) neither Owner nor any party on behalf of Owner is making any representations or warranties whatsoever, express or implied, beyond those expressly made by Owner and Resident in this Addendum, and (b) the Resident has not been induced by, or relied upon, any representations, warranties or statements (written or oral), whether express or implied, made by Owner, that are not expressly set forth in this Addendum.

6. Equipment Damage and Replacement. You understand that use of the Cable Service features may involve installation of certain Equipment in the Premises, or providing certain Equipment to you. If you lose, damage, or destroy any of this Equipment, you may be billed for the full replacement and/or repair cost of such Equipment, plus any applicable installation fees. Further, in the event that a third-party service provider or vendor assists in installing or activating the either Cable Service or Equipment and charges a fee for cancelling, rescheduling, or missing an appointment, then you are liable for the full amount of the fee. A schedule of replacement costs is available from Owner upon request, and is subject to change at any time. All Equipment used in connection with the Cable Service is subject to Owner's approval.

7. Cable Service Fees; Other Fees. The use of Cable Service is subject to the following monthly fees during the term of your Lease: \$60

If you renew your Lease at the expiration of the term, then the monthly Cable Service Fees may be adjusted for the renewal term. Notice of the updated fee will be provided in accordance with the Lease. If you damage Equipment or violate Spectrum's terms of service, you may be responsible for all additional fees and interest as applicable and as provided in the Lease.

8. NO WARRANTIES. OWNER MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND REGARDING THE CABLE SERVICE OR EQUIPMENT, EXPRESS OR IMPLIED (INCLUDING THOSE REFERRED TO IN THE UNIFORM COMMERCIAL CODE OR IN ANY STATUTE OR RULE OF LAW THAT CAN BE LIMITED OR WAIVED OR ANY REPRESENTATION OR WARRANTY

THAT WOULD OTHERWISE BE APPLICABLE TO REAL PROPERTY), AND THE CABLE SERVICE AND EQUIPMENT SHALL BE DEEMED TO BE “AS IS, WHERE IS,” AND IN ITS THEN PRESENT CONDITION, AND RESIDENT SHALL RELY UPON ITS OWN EXAMINATION THEREOF. IN ANY EVENT, OWNER MAKES NO WARRANTY OF MERCHANTABILITY, SUITABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR QUALITY WITH RESPECT TO ANY OF THE CABLE SERVICE OR EQUIPMENT, OR AS TO THE CONDITION OR WORKMANSHIP THEREOF OR THE ABSENCE OF ANY DEFECTS THEREIN, WHETHER LATENT OR PATENT.

9. Severability. If any provision of this Addendum is declared or found to be illegal, unenforceable, or void, in whole or in part, then the parties shall be relieved of all obligations arising under such provision, but only to the extent that it is illegal, unenforceable, or void, it being the intent and agreement of the parties that this Addendum shall be deemed amended by modifying such provision to the extent necessary to make it legal and enforceable while preserving its intent or, if that is not possible, by substituting therefor another provision that is legal and enforceable and achieves the same objectives.

10. Binding Agreement. The parties acknowledge and agree that this Addendum shall be binding upon their heirs, legal representatives, successors and assigns. The terms of this Addendum will control if the terms of the Lease and this Addendum conflict.
