THIS IS NOT A TAX BILL. It shows the taxable interest paid to you during the calendar year by the Internal Revenue Service. If you are required to file a tax return, report this interest as income on **your** return. This amount may represent **interest** on an overpayment for more than one year, or more than one kind of tax. This **interest** may have been paid with your tax refund or part or all may have been applied against other taxes you owed.
