• **IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR HOME EQUITY LINE OF CREDIT**

- (1) Tell us your name and account number
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question. While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

• **CREDIT LINE FINANCE CHARGE COMPUTATION**

The Finance Charge is computed by applying the periodic rate to the principal balance of your account each day. The principal balance is the end-of-day balance after adding any new advances and subtracting any payments or credits.

• **OVERDRAFT/NSF FEE SUMMARY**

This summary appears at the end of the checking account portion of your statement and reflects the total dollar amount in Overdraft/NSF fees you have paid for the statement period as well as a running calendar year-to-date total, as applicable. Overdraft/NSF fees could result from either paying (OVERDRAFT) or returning (RETURNED ITEM) transactions that come in to clear through your checking account when there are not enough available funds at that time to pay them.

For example, if you were to see the following:

	Total for this period	Total year-to-date
Total Overdraft Fees⁽¹⁾	\$15.00	\$30.00
Total Returned Item Fees⁽²⁾	\$15.00	\$15.00

It would mean:

- (1) You paid one \$15.00 Overdraft Fee for one NSF/Uncollected transaction that DCU **paid** that month (Total for this period) and a total of two such fees (2 X \$15.00) for the calendar year (Total year-to-date).
- (2) You also paid one \$15.00 NSF Fee for one NSF/Uncollected transaction that was **returned** that month (Total for this period) which also happens to have been the only one for the year (Total year-to-date).

For information concerning how to avoid overdrafts go to dcu.org and review the Streetwise topic *Using A Checking Account* or go to dcu.balancepro.org for information on a wide variety of credit and financial topics as well as a full suite of other free on-line tools and resources from BALANCE, a financial education and counseling service we partner with to provide you this free service.
