**Master Account Number for Import:**  
674918669  
**Document ID for Import:**  
H31116551KT

**Enclosed is your 2022 Consolidated Tax Statement. 1099 Tax Forms for the following accounts are included in this package:**

674918669 - Robinhood Securities LLC

**New for 2022 Tax Year** - Where applicable, 1099 Tax Forms for Robinhood Securities, Robinhood Crypto, and Robinhood Money are being consolidated into one package and reported under our parent entity, Robinhood Markets Inc. We have done this to ensure all forms that you need are provided at the same time in this consolidated package.

**Important** - Please utilize the Master Account Number and Document ID listed above if filing through tax service providers such as TurboTax or H&R Block. The Document ID is necessary in order to directly import your 1099 data into the tax software so that you do not need to manually enter each transaction. This year there is only one Master Account Number and Document ID that needs to be used to import all of your data across all accounts and 1099s (including crypto). Please note that tax software providers may have limits on the total number of transactions that can be directly imported using the Document ID.

**CSVs** - In addition, a CSV file which includes the same information that is reported on your 1099 forms will be provided. The CSV is not a separate 1099. It is being provided as a supplement in a format that may be more helpful if you have a large number of transactions or if you are not using the Document ID to import all of your Securities, Crypto and Money activity. Tax software providers may have limits on the total number of transactions that can be uploaded and CSV files may not be compatible with tax service providers such as TurboTax or H&R Block.

**Robinhood Retirements Accounts** - If you had any reportable distributions or contributions within a Robinhood Retirement account, your 2022 tax forms 1099-R and/or 5498 will be delivered separately. Retirement accounts will be reported under Robinhood Securities LLC and will have their own unique Doc IDs for import to tax software providers such as TurboTax or H&R Block.

## Detail for Dividends and Distributions

2022

02/01/2023

This section of your tax information statement contains the payment level detail of your taxable dividends, capital gains distributions, Section 199A dividends, exempt-interest dividends, nondividend distributions and liquidation distributions. Also shown are the fair market values of any taxable stock dividends or noncash liquidation distributions.

Federal, state and foreign tax withheld and investment expenses are presented as negative amounts but do not net against the reportable income totals. All amounts are grouped by security, with the transactions listed in chronological order. Subtotals for each security are provided. For situations in which the tax character of a distribution (or part thereof) is different than at the time it was paid, endnotes are provided for further explanation.

Note that a payment characterized as a "Qualified dividend" is only issuer-qualified. There is also a holder level criteria for a dividend to be treated as Qualified. If the payment is from a common stock you are required to have held it for more than 60 days during the 121-day period that begins 60 days before the ex-dividend date of the dividend. If the dividend is from preferred shares and covers a period greater than 366 days, you must have held the preferred stock for more than 90 days during the 181-day period that begins 90 days before the ex-dividend date of the dividend.

Amounts presented in Box 2e as Section 897 Ordinary Dividends or Box 2f as Section 897 Capital Gains apply only to foreign persons and entities whose income maintains its character when passed through or distributed to its direct or indirect foreign owners or beneficiaries. If you are a US citizen, you should disregard this.

**Recipient's taxpayer identification number (TIN).** For your protection, this form may show only the last four digits of your TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)). However, the issuer has reported your complete TIN to the IRS.
