**Important Information**

Your mortgage loan has private mortgage insurance ("PMI"). Section 6503(d) of New York's Insurance Law prohibits a servicer from collecting PMI premiums from borrowers once the unpaid principal amount of the loan declines to 75% of the original appraised value. This is the value of the property at the time the loan was made. You are not required to provide a current appraisal. Where the state and federal law are in conflict, the clause more favorable to you would apply. For Further Information about PMI Cancellation: To determine if you can cancel the PMI on your loan, contact us at the address or phone number on form 1098.
