Notes
<p>All figures are in USD and have been rounded to two decimal places.</p> <p>Fractional Cash amount refunded via payroll in the US, for non-US locations it is added to total tax and Payroll refunds the appropriate amount after the final tax calculation.</p> <p>If multiple countries and/or US states are listed on statement with income and tax reporting, then you worked and/or lived in more than one country and/or US state during the grant to vest period. According to the various requirements of the taxing jurisdictions, Amazon identified the amount of income attributable to each country and/or US state and withheld tax accordingly.</p>
