Before you check Box A, B, or C below, see whether you received any Form(s) 1099-B or substitute statement(s) from your broker. A substitute statement will have the same information as Form 1099-B. Either will show whether your basis (usually your cost) was reported to the IRS by your broker and may even tell you which box to check.

Part I Short-Term. Transactions involving capital assets you held 1 year or less are generally short-term (see instructions). For long-term transactions, see page 2.

Note: You may aggregate all short-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS and for which no adjustments or codes are required. Enter the totals directly on Schedule D, line 1a; you aren't required to report these transactions on Form 8949 (see instructions).

You *must* check Box A, B, or C below. Check only one box. If more than one box applies for your short-term transactions, complete a separate Form 8949, page 1, for each applicable box. If you have more short-term transactions than will fit on this page for one or more of the boxes, complete as many forms with the same box checked as you need.

(A) Short-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS (see Note above)

(B) Short-term transactions reported on Form(s) 1099-B showing basis wasn't reported to the IRS

Illinois Department of Revenue **2022 Schedule CR** Credit for Tax Paid to Other States

Read this information first

You should file Schedule CR if

- you were either a resident or a part-year resident of Illinois during the tax year; and
- you paid income tax to another state on income you earned while you were an Illinois resident; **and**
- the income subject to the other state's tax is included in your Illinois base income; **and**
- you did not deduct the income tax paid to the other state when you figured your federal adjusted gross income as shown on your Illinois tax return.

You should not file this schedule if

- you were a nonresident of Illinois during the entire tax year; or
- you did not pay income tax to Illinois and another state.

For purposes of this schedule, "state" means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or political subdivision of any of these (e.g., county, city, local). The term "state" does not refer to any foreign country.

ENote → If you earned income in Iowa, Kentucky, Michigan, or Wisconsin, you may be covered by a reciprocal agreement. This agreement applies only to income from wages, salaries, tips, and other employee compensation. See the Schedule CR Instructions.
