**Error Detail:**

Taxpayer TIN in the Return Header must not be the same as a TIN of a previously accepted electronic return for the return type and tax period indicated in the tax return.

**Error Resolution:**

This return was rejected by the IRS because a tax return for the taxpayer's identification number has already been filed and accepted by the IRS. Verify that you have accurately entered the taxpayer's SSN or TIN and make corrections if required. If no errors have been made in the entry of the taxpayer's SSN or TIN, it may be necessary to contact the IRS at 1-800-829-1040 for further guidance. If you cannot resolve this problem, you will need to print and file this return by mail.
