ABOUT YOUR INTEREST RATE

- **Your rate is variable.** This means that your actual rate varies with the market and could be lower or higher than the rate on this form. The variable rate is based upon the 3 Month USD LIBOR (as published at <https://www.theice.com/marketdata/reports/170>). For more information on this rate, see reference notes.
- Although your rate will vary, **it will never exceed 25.0% or the maximum rate permitted by applicable law for this loan, whichever is less. For state rate limitations, see reference notes.**
- Your **Annual Percentage Rate (APR) is 8.72%**. The APR is typically different than the Interest Rate since it considers fees and reflects the cost of your loan as a yearly rate. For more information about the APR, see reference notes.

FEES

- **Late Fee:** Lesser of \$15 or the amount permitted by law.

REFERENCE NOTES

Variable Interest Rate

- Your loan has a variable Interest Rate that is based on a publicly available index, the 3 month USD London Interbank Offered Rate (3 Month USD LIBOR), which is currently 2.01%. Your rate is calculated quarterly on Jan. 8, Apr. 8, Jul. 8, and Oct. 8 (or the previous business day if the 8th falls on a weekend) by adding a margin of 5.95% to USD LIBOR.
- The Interest Rate may be higher or lower than your Annual Percentage Rate (APR) because the APR considers certain fees you pay to obtain this loan and the Interest Rate.
- The rate will not increase more than once a quarter, but there is no limit on the amount that the rate could increase at one time. Your rate will never exceed 25.0% or the maximum rate permitted by applicable law for this loan.
- If the Interest Rate increases your monthly payments will be higher.

Bankruptcy Limitations

- If you file for bankruptcy you may still be required to pay back this loan.

Maximum Applicable Interest Rate

- State law limits the maximum rate as follows: California (10%), Florida (18%), Kansas (12% APR), New Jersey (16%), New York (16%), Oklahoma (10% APR), Oregon (12%); West Virginia (18%), and Wisconsin (18% APR).

Repayment Options

- Although no payments are due until after you graduate or leave school, you can still make payments while you are in school. More information about repayment deferral or forbearance options is available in your loan agreement.

Prepayments

- If you pay the loan off early, you will not have to pay a penalty.

See your loan agreement for any additional information about nonpayment, default, any required repayment in full before the scheduled date, and prepayment refunds and penalties.
