Before you check Box A, B, or C below, see whether you received any Form(s) 1099-B or substitute statement(s) from your broker. A substitute statement will have the same information as Form 1099-B. Either will show whether your basis (usually your cost) was reported to the IRS by your broker and may even tell you which box to check.

Short-Term. Transactions involving capital assets you held 1 year or less are generally short-term (see instructions). For long-term transactions, see page 2.

Note: You may aggregate all short-term transactions reported on Form(s) 1099-B showing basis was reported to the IRS and for which no adjustments or codes are required. Enter the totals directly on Schedule D, line 1a; you aren't required to report these transactions on Form 8949 (see instructions).

You must check Box A, B, or C below. Check only one box. If more than one box applies for your short-term transactions, complete a separate Form 8949, page 1, for each applicable box. If you have more short-term transactions than will fit on this page for one or more of the boxes, complete as many forms with the same box checked as you need.

Preparers who file paper returns are subject to penalties.

Avoid penalties and e-file this return.

Attention taxpayer:

New York State law requires this return to be filed electronically. If your tax return preparer has provided you with a paper New York State tax return with instructions to mail it, contact that preparer and request that the return be electronically filed.

- No charge for e-filing: New York State Tax Law prohibits your tax preparer from charging you a separate or additional fee for e-filing your New York State tax return.
- Faster tax refunds: New York State tax refunds on e-filed returns are twice as fast as refunds on paper returns.
- Most New Yorkers enjoy the benefits of e-filing.
